THIS AGREEMENT PROVIDES GENERAL REQUIREMENTS AND INFORMATION. COUNTY DEPARTMENTS OF HUMAN/SOCIAL SERVICES MAY HAVE ADDITIONAL COUNTY SPECIFIC REQUIREMENTS.

This agreement is for emergency visitation up to 60 days and for emergency placements until a provisional certificate is issued for child specific or kinship placements.

Purposes:

- To address the needs of the child(ren)/youth, family and kinship caregiver(s) and to achieve the goals of safety, permanency, and well being for the child(ren)/youth.
- To provide kinship caregivers with information about their options, possible services, and the expectations of the county department of human/social services.

When a child(ren)/youth cannot safely remain at home, the first preference is to consider relatives and adults with a significant relationship for placement. The county departments of human/social services conduct a search for relatives or others with a significant relationship to the child(ren)/youth as possible placement options.

Part A: Kinship Caregiver Options

1. Children/youth may be placed with a kinship caregiver for a 60-day emergency visitation while short-term and long-term plans are developed. There is no guarantee the child(ren)/youth will remain with the kinship caregiver for a longer period of time. The county department of human/social services will make recommendations regarding placement for the child(ren)/youth beyond 60 days.

Kinship Caregiver Options (cont.)

2. If out-of-home placement is required beyond 60 days and the kinship caregiver wants to continue as a placement option, during the 60-day emergency visitation period kinship caregivers must decide whether to apply to be a certified kinship family foster home or remain a non-certified kinship caregiver, with the goal of assuming custody of the child(ren)/youth through the court with jurisdiction of the case.

The requirements and possible benefits for certified kinship foster care and non-certified kinship care are as follows:

Kinship Family Foster Care Home (the county department of human/social services retains legal custody of the child(ren)/youth and the kinship caregiver meets all requirements for a family foster care home):

1. Transporting the child(ren)/youth to therapy; visitation with parents; school/daycare; medical appointments; or other transportation requests that may be necessary, depending on the specific needs of the child(ren)/youth.

5. Allowing telephone calls and visits to the home by the caseworker and the Guardian ad Litem.
6. Allowing parent access to the child(ren)/youth as directed by the caseworker or court order.
7. Documenting significant information for the caseworker regarding the visitation (when applicable), including the reaction or behavior of the parent(s) and/or the child(ren)/youth related to the visits. This responsibility occurs on a case-by-case basis.
8. Permission must be obtained from the county department or the court with jurisdiction in advance in order for a child(ren)/youth to travel outside of Colorado.

Part C: Discipline Policy

Discipline must be constructive or educational in nature and may include talking with the child(ren)/youth about the situation, praise for appropriate behavior, diversion, separation from the problem situation, and withholding privileges.

Discipline:

1. Children/youth have the right to basic necessities including, but not limited to food, clothing, adequate rest, and shelter.
2. Spanking and cruel/unusual punishment are not permitted. This includes but is not limited to:
 - Any punishment that is intended to cause physical pain or is inflicted upon the body of a child/youth, and/or
 - Any humiliating or frightening discipline intended to control the actions of a child/youth.
3. Punishment for toileting accidents is not permitted.
4. Verbal abuse or derogatory remarks about the child(ren)/youth, their family, race, religion or cultural background is not permitted.
5. Children/youth are allowed communication (including visitation or telephone) privileges with their family, clergy, attorney or caseworker.
6. If the discipline is to separate a child/youth from others or an activity, it must be brief and appropriate for age and circumstances.

Disregard of the discipline rules outlined in Section 7.708 of Staff Manual Volume VII is grounds for denial of the kinship application and/or may result in the removal of the child(ren)/youth from the home. Discipline or lack of supervision that results in physical injury or abuse to a child/youth may result in criminal charges and/or removal of the child(ren)/youth from the home.
