

REINSTATEMENT APPLICATION—PHYSICAL THERAPIST ASSISTANT

APPLICANT INSTRUCTIONS

Mandatory Practice Act. Colorado has a mandatory practice act, which means that you may not practice as a Physical Therapist Assistant in this state without a Colorado certification. Submission of this application does not guarantee certification. Therefore, do not make life or career decisions based on the probability that you may receive a certification. Plan ahead for the time it will take for us to receive all required documents and complete our evaluation.

Basic Requirements. Requirements for certification are outlined in the Colorado Revised Statutes, specifically 12-41-101, and the State Physical Therapy Board rules and policies, available online at www.dora.colorado.gov/professions/physicaltherapistassistants.

In compliance with the Michael Skolnik Medical Transparency Act of 2010, all applicants are required to complete and maintain an online Healthcare Professions Profile on our website at www.dora.colorado.gov/professions/hppp.

About the Application. This application is to be completed by you and returned to the Office of Licensing. All questions on the application are mandatory, and all supporting documentation must be received before the application is considered complete. You may copy as many forms as needed; however, each form submitted must be completed in original ink or typed. Keep a copy of the completed application for your records.

Application Expiration. Your application will be kept on file for one (1) year from date of receipt in the Division. Your file and all supporting documentation will be purged if you do not submit all required documents and complete your application process within one year. You will need to resubmit a new application packet after that time.

Social Security Number is Required. Effective January 1, 2009, a Social Security Number is required for all licensees. The Division will consider an application to be incomplete when the applicant fails to submit his/her Social Security Number. Exceptions are made for foreign nationals not physically present in the United States and for non-immigrants in the United States on student visas who do not have a Social Security Number. These applicants must submit a signed Social Security Number Affidavit in lieu of a Social Security Number. You may call (303) 894-7800 to request that one be mailed to you.

Disclosure of Addresses. Consistent with Colorado law, all addresses and phone numbers on record with the Division are public record and must be provided to the public when requested. It is your responsibility to keep your address and contact information up-to-date in our database. All letters, renewal notices, and certifications are mailed to the last known address of record. **It will significantly delay the processing of your application if your address of record is not current.** You can change your address online by using Online Services at www.dora.colorado.gov/professions/onlineservices.

Certification Expiration Grace Period for Applicants. All applicants who are issued a certification within 120 days of the upcoming renewal expiration date will be issued a certification with the subsequent expiration date. For example, certifications issued between July 1, 2012 and October 31, 2012 will reflect a certification expiration date of October 31, 2014. Certifications issued prior to July 1, 2012 will reflect an expiration date of October 31, 2012 and must renew in the upcoming renewal period.

- All Colorado Physical Therapist Assistant certifications expire on October 31 of even-numbered years and must be renewed to continue practicing.

Checking Your Application Status. Visit Online Services at www.dora.colorado.gov/professions/onlineservices to track your application from the date we log it in our database to the date your license is printed. Please allow us enough time to receive the application through the mail and enter your application into our database before you check the website. We recommend waiting at least 10 business days from date of mailing before checking the status of your application.

If you cannot create your profile within 14 days of submitting your application, or if you have questions or technical issues regarding your online profile, contact the Healthcare Professions Profiling Program at (303) 894-5942. **Your application is not considered complete, and a license will not be issued until you have submitted the online profile.**

IMPORTANT NOTICE

TO: All Applicants
FROM: Director of the Division of Professions and Occupations
SUBJECT: Licensure and Criminal History

Thank you for your interest in becoming a licensed* professional within the Division of Professions and Occupations. Before you submit your application, please be aware of a few facts regarding criminal conduct, convictions, and disciplinary actions in other states.

The mission of the Division of Professions and Occupations is “public protection through effective licensure and enforcement.” One way the Division safeguards consumers is by issuing licenses to fully qualified, competent, and ethical applicants.

During the licensing process – and depending on the specific application – the Division will ask whether you have ever been disciplined in any state, arrested, charged, convicted, or pled guilty to a crime. An arrest, subsequent criminal conviction, or disciplinary action is not an automatic disqualification from licensure. Instead, the appropriate board or program will look at the facts surrounding the criminal conduct and disciplinary action to determine whether you are fit for licensure. You should know that licensure is a privilege, not a right. One thing you must do to obtain the privilege is to be completely honest on your application.

Be sure to list all relevant complaints, disciplinary actions, arrests, charges, or convictions in response to the licensure questions. Failure to fully disclose could constitute grounds alone for denial of your application or revocation of your license. More important, avoid some of the common excuses we have heard from people who failed to disclose, such as:

- My attorney told me I didn’t have to disclose the criminal conduct or disciplinary actions.
- I didn’t think the prior conduct had anything to do with the profession.
- I didn’t think the disciplinary action, arrest, charges, or conviction was still on my record.
- I didn’t think it was subject to disclosure because I received a deferred sentence/judgment.

Remember, there is no excuse not to disclose disciplinary actions and criminal conduct. Even after licensure, you are still required to notify your professional licensing board or program about subsequent convictions and disciplinary actions in other states.

The Division conducts audits of its licensing database against several criminal and national disciplinary databases. This allows the Division to verify the truthfulness of your application and track subsequent criminal and disciplinary conduct after initial licensure. Keep in mind, you will not necessarily be revoked or denied a license if you have been disciplined, arrested, charged or convicted, but you will most likely be denied or revoked if you fail to disclose it.

**The word "license" is used as a general term. While most of the professions and occupations are licensed, others may be registered, certified, or listed. For precise terminology and requirements related to a profession or occupation, please consult the website of the appropriate board or program.*
