Question:

_____ 1. What is the definition of an "institute of higher education?" What is the definition of a student?

_____ 2. A student must meet at least one exemption to be an ELIGIBLE Student: What are the exemptions?

_____ 3. When does student status begin and end?

_____ 4. A 22 year-old, single, fulltime student is attending Best State University and provides verification that he has the following financial aid for 1/9/12 to 5/25/12: a Pell Grant, Federal and State Subsidized loans, a federal unsubsidized loan and has accepted work study and is waiting for an opening to begin his work-study assignment. Is this person an eligible student? If so, why?

_____ 5. A VISTA volunteer is currently enrolled in college fulltime and she is participating in VISTA at least 20 hours each week. She is paid in the form of a stipend (not by the hour) under Title I. Can the VISTA hours be used to meet the exemption criteria under work? What if she was an AmeriCorps volunteer instead?
