Lauren Klein was created 4 years ago to provide the consumer with the opportunity to purchase designer jewelry at affordable prices. We have more than 30 years of experience in the Diamond industry. We began our voyage selling jewelry on Ebay and on Amazon.com. After great success we have now placed our entire jewelry collection here on Laurenklein.com.

Our collection ranges from basic solitaire necklaces to trendy and chic color stone jewelry. Our jewelers use only select top-quality stones and each piece is individually inspected by our quality experts prior to shipment, to guarantee the highest level of satisfaction upon receipt. Whether it's for work or a night on the town, in denim or silk, black-tie or everyday Lauren Klein has jewelry for your style.

We would like to offer 10% off all purchases no minimum required.
