

Neglia Services

Jewelry Sales, Replacements, Appraisals, Consulting & Salvage Service.

* Corporate Companies Employee Discount Program*

Neglia Services is a privately owned, **non-profit service**, which has been providing (**Employee discount programs**) to both private, and public sector employees since 1985. We provide our services to the Insurance industry, State and City Employees, Credit unions, Technology, Pharmaceutical, Hospitals, Colleges, Organizations, Etc. We are not a retail jewelry store, we are solely a Jewelry Outlet Service. This program acts as a complement to an existing benefit package, which services to stretch an employee's payroll dollar.

- Our **Employee Jewelry Discount Program** is designed to allow your employees to educate themselves, as well as receiving **30% discounts** on **any jewelry items**, whether its a diamond, watches, jewelry, etc.
- No matter if its **50** employees or **50,000**, Neglia Services is the final piece to maintaining "**Employees of Choice Status**"

Free services offered: Direct Shipping, Consultations, Appraisals, and Appraisal Review. The employee discount program is a powerful tool for strengthening the communication between the employer and the employees, also to offer a direct outlet, towards appreciation of their work.

➤ **Mission**

- **Our mission** is to provide an effective retention tool for staffed employees, deep savings from our lending merchants, which are listed and rated with the jewelers' board of trade association
- **Our goal** is to have you see the view in front of you before your jewelry purchase begins.
