The State of Colorado through the Work-Life program administered by the Department of Personnel & Administration, Division of Human Resources offers the Identity Theft Shield and a pre-paid legal plan to ALL state employees.

When you become a victim of identity theft you need three things:

- 1. An attorney*
- 2. A monitoring system*
- 3. Restoration services*

With the Identity Theft Shield and the Legal Life Events Plan through Pre-Paid Legal Services, Inc. you will be provided with all three.

***The GOLD IDENTITY THEFT SHIELD IS \$12.95 added to the legal plan***

### The Need

Have you ever been treated unfairly, received a speeding ticket, prepared a will, living will, durable power of attorney, signed a contract without knowing what all the fine print said, or been overcharged for a repair... but didn't seek the help of an attorney because of the cost?

What if there was a service that gave you access to quality attorneys for these situations and more? Pre-Paid Legal Services®, Inc. is here and that's what we do!

### Think you're not at risk?

#### Unfortunately you are.

- Do you hand your credit cards to servers at restaurants?
- Do you sign your credit cards?
- Do you supply your personal information over the internet?
- Do you keep your social security number in your wallet/purse?
- Do you leave mail at home or business for the postal carrier to collect?
- Do you shred unwanted mail with personal information?

**The legal life events plan is \$15.95 per month.** Who Is Covered Under the Family Plan? Your spouse, any of your children living at home under the age of 21, never married, any full-time college students under the age of 23, never married, any child living at home who you are the legal guardian of, never married and under the age of 18; and any disabled child living at home.
