### **GOVERNOR'S ENERGY OFFICE BRIEFS JOINT BUDGET COMMITTEE ON ENERGY EFFICIENCY AND RENEWABLE ENERGY EFFORTS**

**WHAT:** The Governor's Energy Office (GEO) invites the media and public to attend its first briefing before the Joint Budget Committee (JBC) on Tuesday, November 27, 2007.

The 2007 Legislative session directed funds to the GEO for the purposes of promoting statewide programs and projects in energy efficiency and renewable energy. GEO now receives Colorado state money, including General Funds, to advance Colorado to a New Energy Economy through energy efficiency, renewable and clean energy sources.

Tom Plant, GEO director and several GEO program managers will present an overview of the office programs and respond to questions from the members of the JBC in regards to the office and its efforts.

**WHO:** Tom Plant, Director, Governor's Energy Office (GEO) and GEO staff program managers

**WHEN:** 5:00 p.m. to 5:20 p.m., Tuesday, November 27, 2007

**WHERE:** Meetings are held in the JBC Hearing Room, Legislative Services Building, 200 East 14<sup>th</sup> Avenue, 3<sup>rd</sup> Floor, Denver, CO 80203, (303)866-2061.

**Note to Media:** Please RSVP to Megan Castle
