Please review the service criteria below:

- One of the following requirements must be applicable to your dealership in order to utilize the Salesperson Licensing Service.
 - Auto/truck dealership is franchised and does not have an active Dealership Association board hold or pending disciplinary action
 - Used Car dealership has five or more salespersons and no active Dealership Association board holds or pending disciplinary action
- The Dealership agrees to act as the third party agent for DOR and as such will complete all required documentation for each salesperson licensed through this service and retain on file and forward to the Auto Industry Division as specified. Failure to forward documentation in a timely manner will result in loss of Online access.
 - A copy of the identification provided as proof of lawful presence will be sent to the Department of Revenue, Auto Industry Division upon completion.
 - A signed Affidavit, form DR 4679, must be signed and will be sent to the Department of Revenue, Auto Industry Division upon completion.
 - The salesperson's bond information is true, complete, and filed with the dealership.
 - A DR 2115 Motor Vehicle Salesperson License Application has been completed and signed by the applicant, and will be sent to the Department of Revenue, Auto Industry Division upon completion.
 - All required documents have been signed and on file at the Dealership. Any false answer or statement made constitutes second-degree perjury. I hereby certify that I have reviewed the information provided above and agree to employ the applicant as a motor vehicle salesperson under the dealer license provided.
 - The Dealership will send copies of all documents noted above to the Department of Revenue, Auto Industry Division. Documents must be received within 5 business days.
- Any false answer or statement made on any form associated with this service and retained by the dealership constitutes second-degree perjury.

I have read and agree to the above requirements of the Colorado Department of Revenue.
