WHEREAS Sub-vendor/End User desires to enter into an Agreement with Vendor for the purpose of receiving Interactive Service(s) through Vendor, to certain Records specified herein from the database(s) maintained by, and under the custody and control of, the DMV, and

WHEREAS Sub-vendor desires the Interactive Service(s) order to provide copies of DMV Records to its customers who meet the legal criteria for release to them of DLRs, MVRs, and/or TRLs (“End User”, as hereinafter defined), whether or not the Records contain PI, and

WHEREAS each Interactive Service offered by Vendor is fully described, with its terms, conditions, and price, in separate Schedules to this Agreement, and

WHEREAS Sub-vendor/End User shall signify its desire to receive access to each Interactive Service by signature on the separate Colorado Interactive Registration Agreement,

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein, including the amounts hereinafter provided to be paid by Sub-vendor/End User to Vendor for such live online access, the parties hereto agree as follows:

1. The Definitions and Recitals are a part of this Agreement.

I. Treatment by Sub-vendor of RWPI.

2. RWPI are not subject to regulation by the DPPA and thus are Public Records as that term is defined in Colorado law. As such, they may be disseminated to an End User by Sub-vendor without compliance with the same rules as apply to Records containing PI. However, the applicable Portal Fee applies to disclosure or transmittal to Sub-vendor of a Record from which PI has been permanently removed.

II. Treatment by Sub-vendor of RCPI.

3. Sub-vendor agrees that RCPI are subject to regulation regarding dissemination or disclosure to End Users. Sub-vendor agrees to require all its End Users to acknowledge and agree to this as well. All entities that subsequently acquire the RCPI from a End User must be contractually bound to the End User to abide by the requirements in the Affidavit of Intended Use.

4. Records provided by Vendor will only be used by Sub-vendor, and Sub-vendor, in accordance with the restrictions imposed by DMV, agrees to require its End Users to agree to take all reasonable steps to restrict their use, if such Records contain PI when the Record is furnished to the End User.
5. Sub-vendor shall pay to Vendor a Portal Fee for the Interactive Service(s) in accordance with the attached Schedules and pursuant to the general terms and conditions of the Colorado Interactive Registration Agreement.

6. Sub-vendors shall require those End Users that are receiving RCPI to complete and deliver to Sub-vendor the following, no less than annually:

   b. A Statement of Confidentiality for Motor Vehicles and/or Driving Record (Form B, attached).
   c. The name and address of the End User, and
   d. A written agreement, signed in advance of any Disclosure, wherein the End User agrees at a minimum to:

      (2) keep sufficient books and records to evidence use in accord with the Intended Use, and
      (3) abide by such other provisions of this Agreement as are indicated to require Requestor agreement.

7. The Sub-Vendor and/or End User shall comply with the DMV policy to assist in the effective administration of the DPPA, under which use of a RCPI is restricted to use, one time, for a legitimate purpose by a Sub-vendor and/or Requestor. The Sub Vendor and/or End User shall destroy the RCPI/RWPI, and in the case of RCPI, PI is not retained except as integrated into the intended use indicated by the Affidavit of Intended Use. The Sub-vendor and/or End User cannot give, sell, or loan a RCPI or RWPI they have obtained or, in the case of RCPI, the PI it contains, to any other person or entity for any purpose whatsoever; provided however, that in the case of an information reseller who is the Sub-vendor. The information reseller’s End User must be contractually bound to the information reseller to abide by the Single Use policy of DMV regarding the End-User’s use of the DLR, and the disclosure or transfer of the DLR to the Requestor.

Sub-vendor agrees that it shall not use any Records provided under the terms of this Agreement except for sale to End Users. The Sub-vendor is prohibited from using the Records for any other purpose, including, but not limited to those prohibited purposes identified in C.R.S. 24-72-204 or by this Agreement.
9. Sub-vendor agrees, and shall require its End Users to agree, to abide by the policies of DMV, as modified from time to time, and the laws of the United States of America and the State of Colorado regarding the disclosure of Records issued to Sub-vendor or to End Users respectively.

Schedule A

DLR Interactive and Point-to-Point Service

This Schedule A is subject to the terms and conditions of the Agreement for Access to Drivers License and Motor Vehicle Records entered into on the ___ day of _____, 200__ (the “Agreement”), by and between Colorado Interactive, LLC (hereafter “Vendor”), and (“Sub-Vendor”) and the Terms and Conditions of the Colorado Interactive Registration Agreement entered into on the ___day of 200__ ("Monthly Account Holder Agreement), by and between Vendor and Sub-Vendor.

Under the terms of the Agreement, this Service allows Sub-vendor, which meets the eligibility criteria set forth under Drivers Privacy Protection Act. (DPPA) 18 USC § 2721 et. Seq. (Public Law 103-322), to receive records from DMV’s DLR database. Sub-vendor agrees that restrictions on the use of the driver’s license information may be modified by Vendor upon written notice to Sub-vendor at any time.

This service provides two methods for Sub-Vendor to request a DLR for which the Sub-vendor is qualified to receive, subject to any limitations on access to or use of the DLRs imposed by DMV, as soon as reasonably practical following the Sub-vendor’s electronic request.

The Interactive Service:
- Allows an authenticated Sub-vendor or End User to search for individual DLRs
- Requires the Sub-vendor or End User to state the intended use of the DLR being requested
- Requires the Sub-vendor or End User to input the driver license number and either the date of birth or the last name of the individual
- Allows the Sub-vendor or End User to view and print the DLR if one is located in the database
- Allows the Sub-vendor or End User to view a history of previous searches

The Point-to-Point Service:
- Allows an authenticated Sub-vendor or End User to request individual DLRs
- Requires Sub-vendor or End User to submit record requests using a standard format determined by Vendor
- Assistance is provided by Vendor’s technical staff with the initial set-up for a Sub-vendor or End User.
- Returns DLRs located in the database as a flat text file
- Allows the Sub-vendor or End User to view a history of previous searches

Sub-vendor or End User shall pay to Vendor a Portal Fee (defined below) for the Interactive Service in accordance with the following:

1. $2.00 per DLR (“Portal Fee”) for each DLR that is returned to Sub-vendor or End User whether or not such DLR contains PI.
2. A null search result does not generate a Portal Fee.
3. A “no change since last inquiry” result generates a Portal Fee.
4. Disclosure of any one or more elements of a DLR is considered disclosure of a DLR and generates a Portal Fee.
Schedule B

Driver Monitoring Interactive Service

This Schedule B is subject to the terms and conditions of the Agreement for Access to Drivers License and Motor Vehicle Records entered into on the ___ day of _____, 200_ (the “Agreement”), by and between Colorado Interactive, LLC (hereafter “Vendor”), and (“Sub-Vendor”) and the Terms and Conditions of the Colorado Interactive Registration Agreement entered into on the ___day of 200_ (“Monthly Account Holder Agreement), by and between Vendor and Sub-Vendor.

Under the terms of the Agreement, this Interactive Service allows Sub-vendor to monitor certain changes to data fields in specific DLRs requested by Sub-vendor for the purpose of assisting its clients with insurance re-underwriting, subject to any limitations on access to DMV’s database imposed by DMV.

Driver Monitoring Process:
Sub-vendor shall provide record requests to CI in the following manner: By the 25th of each month, Sub-vendor will provide an electronic file containing the requested DLRs for monitoring, and CI will provide a response to Sub-vendor within six business days following receipt of the electronic file. Sub-vendor will access an administrative website provided by CI to upload an electronic file containing the requested records. The file format will be specified by CI. For each record requested, the file will indicate whether a 1-month, 6-month, or 12-month monitoring is required.

Upon receipt of the file, CI will query the requested records for any changes to the selected data fields within traffic conviction and administrative action records posted by DMV to its driving record database. If a change has occurred in any of the requested records for the designated data fields during the specified monitoring period, CI will transfer the full DLR to Sub-vendor at the usual per-record fee charged by CI for a driver record. No response will be generated for records where no change has occurred in the monitored data fields.

Pricing:
Sub-vendor shall pay to CI a fee per driver record monitored per month according to the following price schedule:

<table>
<thead>
<tr>
<th>Records From</th>
<th>To</th>
<th>Per Record Price</th>
<th># Records Monitored</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>400,000</td>
<td>0.060</td>
<td>400,000</td>
</tr>
<tr>
<td>400,001</td>
<td>750,000</td>
<td>0.020</td>
<td>350,000</td>
</tr>
<tr>
<td>750,001</td>
<td>--</td>
<td>0.010</td>
<td>750,000 +</td>
</tr>
</tbody>
</table>

The final price for a monitored DLR will be based on the overall number of records in the submitted file and the applicable monitoring period requested for each record.

For example:

- In the 1 – 400,000 record volume range:
  - a one-month lookback will cost $.06;

- In the 400,001 – 750,000 record volume range:
  - a one-month lookback will cost $.02;

- In the 750,001 and greater volume range:
  - a one-month lookback will cost $.01;
  - a six-month lookback will cost $.06; and
