Dear Mr. Tarlton and Mr. White:

Energy Fuels Resources Corporation (Energy Fuels) has scheduled two public hearings at which members of the general public and other interested parties will have an opportunity to provide testimony regarding the proposed Piñon Ridge Mill. The first meeting will occur at 6 PM Thursday, January 21, 2009 at the Nucla High School, 225 W. 4<sup>th</sup> Avenue in Nucla, Colorado. The second meeting will occur on Wednesday, February 17, 2009 at the Montrose Pavilion, 1800 Pavilion Drive in Montrose, Colorado. Under Part 203 of the Colorado Revised Statutes (CRS) Title 25, Article 11, the public meetings will be “hosted and presided over by a person selected upon agreement by the department, the board of county commissioners of the county where the facility is located, and the applicant.” At Energy Fuels’ request, Richard J.
