EXECUTIVE ORDER

Further, pursuant to the authority vested in the Governor of the State of Colorado and, in particular, pursuant to Article IV, Section 5 of the Colorado Constitution and C.R.S. §28-3-104, I hereby authorize the continued employment of the Colorado National Guard to support and provide planning resources to State and local authorities as they respond to the presence of COVID-19 in the State.

I. Background and Purpose

The Governor is responsible for meeting the dangers to the State and people presented by disasters. C.R.S. §24-33.5-704(1). The Act defines a disaster as “the occurrence or imminent threat of widespread or severe damage, injury, or loss of life or property resulting from any natural cause or cause of human origin, including but not limited to . . . epidemic.” C.R.S. §24-33.5-703(3). The threat currently posed by COVID-19, a respiratory illness that can spread from person to person, constitutes a disaster for purposes of the Act.

On March 5, 2020, the Colorado Department of Public Health and Environment’s (CDPHE) public health laboratory confirmed the first presumptive positive COVID-19 test result in Colorado. Since then, the number of confirmed cases has continued to climb, and there is community spread throughout the State. I verbally declared a disaster emergency on March 10, 2020, and on March 11, 2020, I issued the corresponding Executive Order D 2020 003, as amended and extended by Executive Orders D 2020 018, D 2020 032, D 2020 058, D 2020 076,
My administration, along with other State, tribal, local, and federal authorities, has taken a wide array of actions to mitigate the effects of the pandemic, prevent further spread, and protect against overwhelming our health care resources. The actions we have undertaken to date have made progress in these areas, but we must continue taking aggressive action to minimize the duration of this epidemic and of the disruption to our daily lives.

This Executive Order extends Executive Orders D 2020 003, D 2020 018, D 2020 032, D 2020 058, D 2020 076, D 2020 109, D 2020 125, D 2020 152, D 2020 176, D 2020 205, D 2020 234, D 2020 258, D 2020 264, D 2020 268, D 2020 284, D 2020 290, D 2020 296, D 2021 009, D 2021 022, and D 2021 028 for an additional thirty (30) days to extend the state of disaster emergency and the deployment of the Colorado National Guard to support and provide planning resources to State and local authorities as they respond to the presence of COVID-19 in the State.

II. Duration

Given under my hand and the Executive Seal of the State of Colorado, this fifteenth day of February, 2021.
