Public Hearings

Minor Subdivision – Murleen Goodrich

Juan Altamirano and applicants Murleen and Dale Goodrich were present.

Commissioner Dunne hoped they enjoy their retirement.

Commissioner Yohn asked about the previous requirement. It was done in 2012 and this was
under the old Land Use Development Code where second dwellings were only allowed for
immediate relative or farm/ranch worker. There were a lot of people putting mobile homes in
there and renting them out so they put this stipulation.

Commissioner Yohn stated the report under Water and Wastewater it stated each already had
their own well. They have a shared well so their request was to have each their own well. It
may be trouble now but later they will be thankful stated Commissioner Allen. They have seen
so many problems with a shared well.

said property being zoned Rural; and

WHEREAS, Said applicant seeks to subdivide the above described property into
two (2) tracts as follows:

Tract 1 = 5.53 acres more or less Tract 2 = 1.93 acres more or less

WHEREAS, The Alamosa County Planning Commission reviewed the application
for a minor subdivision on August 14, 2013, following proper notice to the public and
recommended approval of the application; and
WHEREAS, A public hearing was held on the proposed minor subdivision on September 11, 2013, before the Board of County Commissioners of Alamosa County, following proper notice to the public, and where no adverse testimony was given or received; and

WHEREAS, the Board of County Commissioners has considered the application, finds the application meets all requirements of the Alamosa County Land Development Code pertaining thereto and that the minor subdivision is appropriate; and

WHEREAS, the proposed minor subdivision is consistent with the objectives and purposes of the Alamosa County Land Development Code.

IT IS THEREFORE RESOLVED AND ORDERED that the minor subdivision is hereby granted upon the above-described property pursuant to Alamosa County Land Development Code, Article 7 Section 7.6.6, as adopted on July 15, 2009.

Retail Marijuana Ordinance

Mr. Kelly stated the people already voted for Recreational Marijuana use. The board decided to take to vote regarding the cultivation, manufacturing, testing, or retail of Marijuana.

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF ALAMOSA COUNTY

ORDINANCE NO: 17

RE: ORDINANCE PROHIBITING THE OPERATION OF MARIJUANA CULTIVATION FACILITIES, MARIJUANA PRODUCT MANUFACTURING FACILITIES, MARIJUANA TESTING FACILITIES, OR RETAIL MARIJUANA STORES LOCATED IN ALAMOSA COUNTY, COLORADO.
Commissioner ______ moved for the adoption of the following resolution.
Commissioner ______ seconded the motion.

WHEREAS, a public hearing and the first reading of the proposed ordinance was held on September 11, 2013 which testimony was received. It was published in full in the Valley Courier on September 13, 2013; and

WHEREAS, a second public hearing was held on the proposed ordinance on September 25, 2013 and was adopted and said Ordinance shall take effect immediately. It will be republished by title only in the Valley Courier on September 27, 2013.

ALAMOSA COUNTY ORDINANCE NO: 17

ORDINANCE PROHIBITING THE OPERATION OF MARIJUANA CULTIVATION FACILITIES, MARIJUANA PRODUCT MANUFACTURING FACILITIES, MARIJUANA TESTING FACILITIES, OR RETAIL MARIJUANA STORES LOCATED IN ALAMOSA COUNTY, COLORADO.

WHEREAS, pursuant to § 30-15-401, C.R.S., the Board of County Commissioners of Alamosa County, Colorado (hereinafter the “Board”), has the general enabling power to adopt ordinances for the control or licensing of those matters of purely local concern, and to do all acts and make all regulations which may be necessary or expedient for the promotion of the health, safety and welfare of the present and future residents of Alamosa County; and

WHEREAS, on November 6, 2012, the voters of Colorado approved the adoption of Amendment 64, Personal Use and Regulation of Marijuana; and

WHEREAS, Amendment 64 became effective upon official declaration of the vote thereon by proclamation of the Governor, pursuant to Section 1(4) of Article V, of the Colo. Constitution; and

WHEREAS, Amendment 64 defines a “locality” in part in section 2(e) of Section 16 to include a county; and

WHEREAS, part 5(f) of Section 16 provides the following:

(f) A locality may enact ordinances or regulations, not in conflict with this section or with regulations or legislation enacted pursuant to this section, governing the time, place, manner and number of marijuana establishment operations; establishing procedures for the issuance, suspension, and revocation of a license issued by the locality in accordance with paragraph (h) or (i), such procedures to be subject to all requirements of Article 4 of Title 24 of the Colorado Administrative Procedure Act or any successor provision; establishing a schedule of annual operating, licensing, and application fees for marijuana establishments, provided, the application fee shall
only be due if an application is submitted to a locality in accordance with paragraph (i) and a licensing fee shall only be due if a license is issued by a locality in accordance with paragraph (h) or (i); and establishing civil penalties for violation of an ordinance or regulation governing the time, place, and manner of a marijuana establishment that may operate in such locality. A locality may prohibit the operation of marijuana cultivation facilities, marijuana product manufacturing facilities, marijuana testing facilities, or retail marijuana stores through the enactment of an ordinance or through an initiated or referred measure; provided, any initiated or referred measure to prohibit the operation of marijuana cultivation facilities, marijuana product manufacturing facilities, marijuana testing facilities, or retail marijuana stores must appear on a general election ballot during an even numbered year. (Emphasis added)

and;

WHEREAS, Amendment 64 conflicts with federal law, as the possession, cultivation, sale and use of marijuana remains illegal under federal criminal statutes; and

WHEREAS, The Board of County Commissioners of Alamosa County finds that the licensing and operation of retail marijuana establishments provided for in Amendment 64, makes marijuana more readily available in the community and facilitates recreational use of marijuana, and therefore presents a threat to the health and education of Alamosa County’s children, and to the health, safety and general welfare to the public as a whole; and

WHEREAS, the licensing and operation of medical marijuana centers, medical marijuana infused products manufacturing, and optional premises cultivation operations pursuant to the Colorado Medical Marijuana Code and Alamosa County’s regulations on medical marijuana shall be unaffected by this ordinance; and

WHEREAS, the Board of Alamosa County Commissioners desires to present to the registered and eligible electors of Alamosa County at the regular election in November 2014, the question of whether to allow or prohibit retail marijuana establishments as set forth herein; and

WHEREAS, the Board further recognizes the protections afforded by Amendment 64 to individual residents, and desires to affirm the right of personal use of marijuana and nothing in this ordinance shall affect that right;

WHEREAS, the Board shall certify the following question or one substantially similar to the following on the ballot for the 2014 general election:

PURSUANT TO THE AUTHORITY GRANTED BY PART 5(F) OF SECTION 16, OF AMENDMENT 64 OF THE COLORADO CONSTITUTION, SHALL ALAMOSA COUNTY ALLOW THE OPERATION OF MARIJUANA CULTIVATION FACILITIES, MARIJUANA PRODUCT MANUFACTURING FACILITIES, MARIJUANA TESTING FACILITIES, OR RETAIL MARIJUANA STORES AS THOSE TERMS ARE DEFINED
IN PART 2 OF SECTION 16, OF AMENDMENT 64 OF THE COLORADO CONSTITUTION, WITHIN THE UNINCORPORATED BOUNDARIES OF ALAMOSA COUNTY, COLORADO?

Yes________ No_____

NOW, THEREFORE, BE IT ORDAINED, by the Board of County Commissioners of Alamosa County, State of Colorado, that:

1. Effective immediately there shall be a prohibition on the new construction, alteration, or use of any building, structure, or property used for the sale, distribution, cultivation, and dispensing of marijuana and there shall be no operation of any marijuana cultivation facility, marijuana product manufacturing facility, marijuana testing facility, or retail marijuana store as those terms are defined by Amendment 64, Section 16, Paragraph (2), within the unincorporated boundaries of Alamosa County, State of Colorado.

2. This Ordinance shall remain in effect until such time as an election question is submitted to the registered electors of Alamosa County on whether to allow such uses within the unincorporated boundaries of Alamosa County as authorized by Amendment 64.

3. The following question, unless sooner amended by the Board, shall be submitted to a vote of the registered and eligible electors of Alamosa County, Colorado, at the regular election in November 2014:

RETAIL MARIJUANA BALLOT QUESTION:

PURSUANT TO THE AUTHORITY GRANTED BY PART 5(F) OF SECTION 16, OF AMENDMENT 64 OF THE COLORADO CONSTITUTION, SHALL ALAMOSA COUNTY ALLOW THE OPERATION OF MARIJUANA CULTIVATION FACILITIES, MARIJUANA PRODUCT MANUFACTURING FACILITIES, MARIJUANA TESTING FACILITIES, OR RETAIL MARIJUANA STORES, AS THOSE TERMS ARE DEFINED IN PART 2 OF SECTION 16, OF AMENDMENT 64 OF THE COLORADO CONSTITUTION WITHIN THE UNINCORPORATED BOUNDARIES OF ALAMOSA COUNTY, COLORADO?

Yes________ No_____

4. If the majority of the registered and eligible electors of Alamosa County does not vote to prohibit the operation of marijuana cultivation facilities, marijuana product manufacturing facilities, marijuana testing facilities, or retail marijuana stores within the unincorporated boundaries of Alamosa County, the regulations established by Alamosa County regarding Medical Marijuana shall apply immediately upon certification of the election results.

5. Further, if the majority of the registered and eligible electors of Alamosa County does not vote to prohibit the operation of marijuana cultivation facilities, marijuana product manufacturing facilities, marijuana testing facilities, or retail marijuana stores within the
unincorporated boundaries of Alamosa County, then County staff is instructed to review existing County land use regulations and propose any changes deemed appropriate and present any such proposed changes to the Planning Commission and the Board County Commissioners within one (1) month of the certified election results, prior to expiration of the prohibitions contained herein.

6. The Board hereby finds, determines and declares that this Ordinance is necessary for the immediate preservation of the health, safety and welfare of the citizens of Alamosa County, Colorado because the use and/or sale of marijuana remains illegal under federal criminal statutes and the issuance of any recreational use license would make marijuana more readily available in the community and children.

Commissioner Allen asked if anyone has any comment to this Ordinance.

Commissioner Yohn stated they felt they needed to bring this to a vote to bring to the citizens desire.

Commissioner Dunne stated this doesn’t affect the Medical Marijuana Facilities that we already have.

m/s Dunne/Yohn motion to publish this and have a public hearing at the next meeting Motion was approved unanimously.

Alamosa County Chamber of Commerce

Randy Wright was present.

SBDC Donne Wehe is going to work for the Hospital in charge for the Affordable Care Act. She did a fantastic job for them. They had some very good applicants. They offered a contract with Jeff Owsley. He will be starting within the next two weeks.

This year they worked with the City and the Marketing Board with the Ice Fest. They sponsored the Beer Garden with Ride the Rockies along with Kiwanis. The sponsored the Beer Garden with Alamosa Round Up. They worked with the County on the committee for the 4th of July Centennial Celebration. This was a very good event. It was the largest parade they have had. Dan Bowers serves on CAT PAW Club where they work with auto theft prevention with the State of Colorado. He helped getting all the law enforcement together where Sheriff Stong applied for a grant. They gave $40,000 for the use of auto theft prevention. They purchased a license plate reader that they will use for the whole SLV. Beat the Heat was by far the largest event they have had. They had 17 cookers. Ernie Ball who makes Guitar strings cooked here. The winner was Kevin of Fly Stone. Big news is that Woody’s Q Shack won the People’s Choice award. The Fireball Run is the next event they are working on. It is September 22nd and September 23rd. He thanked the Commissioners for allowing the county employees to participate on Monday morning. They want this to be a huge event so the more publicity they get. It is broadcasted. The Falconeers are coming back to town in November. This is a nationwide event and this is rare for them to come back. Christmas Town was an idea brought by Matt Abbey. He has been trying to get a Polar Express but that hasn’t happened yet but they will have a
Christmas Train. They will cut the City’s Christmas tree on the train ride. They will light up the train with lights. They want to “drench” it with lights. They are already working on the Ice Fest for next year.

Commissioner Dunne asked the Marketing Board about the Christmas Event and they were unaware of it. The Board may not be but Jamie Greeman is aware.

Commissioner Allen stated the Beat the Heat event will probably double next year. 10am-2pm the cooks were preparing the turn ins for the competition. The event was larger than they expected. The public didn’t understand how this worked.

ACEDC purchased the Pink Elephant Buildings everything except Sic n Twisted. They had to own the buildings before they applied for the Brownfield grant. They purchased the buildings in the morning of December 3rd and sent the application for the grant in the afternoon of December 3rd. Then they had to apply for the funds after and they will be funded in October. They completed the Phase 1 and Phase 2 of the environment studies. The abatement has been completed on the Trujillo’s on Tap building. They still have to do abatement for the rest of the buildings and this will be handled through the Brownfield grant. They did a complete re-study of the building. CDPHE covered the cost of the second testing. They haven’t got the results back yet. As soon as asbestos is removed they will begin the demolition and disposal. He still needs to work with the landfill for this.

Railroad has given them some land between State & Ross & 6th street and the railroad. They would like to have some retail. They are interested in hotel development for downtown. The requirement is they would like to have offices for their call center also.

The Refuge and ACEDC are working with a project to clean up the “Devils Playground”. It is owned by Conoco Oil, Gallagher Oil, and the Railroad. They are going to try and push the blight issue a little harder.

Commissioner Yohn stated the previous owner would have the responsibility for the cleanup and could they utilize the Super Fund. There has been some cleanup on the site but they don’t know to what extent. They had an Arial picture of the site from 1963 and it was a mess. It showed a lagoon of oil sludge so he is not sure if that would qualify for the Super Fund. Colorado Oil and Gas is working with them Mr. Wright stated. Commissioner Dunne stated it is a concern for them.

**CSU Extension**

Marvin Reynolds and Amy Henschel were present. Ms. Henschel is the new 4H Agent. She is originally from Illinois and did 4H there for 10 years. She moved to Colorado. Then she joined the Peace Corp where she moved to Paraguay. She moved Alamosa last week. She has a degree in Marketing and Youth Development. She will use those skills to grow the program.
Sangre de Cristo National Heritage Area

Christina Gallegos was present. A list of the 2013 Heritage Grants was presented. It showed SW Conservation Corps, SDC Cultural Heritage Center, Acequia Association, Rio Grande Headwaters, ASU Arch Field School, SLV Local Foods Coalition, and Trujillo Homestead. When they give money from their grant they have to match the funds. Their next event is Saturday, October 5, 2013 where they are working with Cumbres & Toltec Railroad with a train ride. It is to celebrate the Railroad’s National Historic Landmark status. Their Management Plan got approved last month by National Parks so they will be celebrating this as well.

Commissioner Dunne asked to explain where the funds come from. Their funding comes through the Federal National Parks system. They receive their funding through legislation. Because they are one of the newer Heritage areas and because their Management plan was approved their funds go up. Currently they are receiving $150,000 and this will increase to $300,000. Every contribution from the counties the federal will match. After ten years you are expected to be sustainable yourself. They are competing with the older areas in the east coast. The Heritage Alliance is working on getting the new areas to get more money than those that have been around for years.

Commissioner Dunne stated not only the Hispanic heritage but they want to get the oral history for the Dutch heritage.

Alamosa County Land Use

Ken VanIwarden and Juan Altamirano were present.

Activities Report for August was presented.

They executed an agreement with Gary Tuttle with Tuttle & Associates to review the 1041 application that Sun Power has submitted. Xcel turned in an application to the Utility Commission to increase their Renewable Energy buy stated Mr. Altamirano. It is up to 170 mgw of solar and 400 mgw of wind. This is good news for Alamosa County to have more solar power here.

**Board/Staff Updates**

Commissioner Dunne would like to recommend another person to the Citizen Review Panel, Christine Taylor.

**m/s Dunne/Yohn motion to accept Christine Taylor who resides at 1317 3rd St Alamosa to be a member for the Citizen Review Panel for a two year term.**

Motion was approved unanimously.

**Adjourn**

There being no further business, the Regular Meeting of the Board of Alamosa County Commissioners was adjourned.

**ATTEST:**

Marianne Dunne, County Commissioner
Minutes of the Public Hearing was held for Murleen Goodrich on September 11, 2013 at 8:30 a.m. in the Commissioners Chambers, Alamosa County Services Center, 8900 Independence Way, Alamosa, CO 81101.

Members Present:  
Darius Allen, Chair  
Mike Yohn, Vice-Chair  
Marianne Dunne, Commissioner  
Jason Kelly, County Attorney  
Brittney DeHerrera, Chief Financial Officer  
Carol Osborn, Assistant Administrator  
Belina Ramirez, Office Manager  

Juan Altamirano and applicants Murleen and Dale Goodrich were present.

**Purpose:** The applicant seeks approval of a minor subdivision to subdivide approximately 7.46 acres into two tracts of land resulting in 5.53 acres – Tract 1 and 1.93 acres for Tract 2. The subject property is identified as 12155 County Road 109 S Alamosa CO 81101.

**Property Address:** 12155 County Road 109 S Alamosa CO 81101

**Legal Description:** Lot 1 S&H Division of Land as per Plat recorded January 7, 1997 under Reception No 280893.

The purpose is to comply with the condition that was placed on the property location. The property was subject to a conditional use sometime ago to approve a secondary location on the land. In the event that the owners seized to inhabit that 2nd unit dwelling by a relative they would have to tear down the house and lose their investment. Their proposal is subdivide the property because they are looking to retire. Their current house is going to be occupied by their daughter and the 2nd unit they are planning to sell to someone else. This used to be one of the rules under the old Land Use Code.

**Access:** Access to the tracts of land will be from Road 109 South. The Alamosa County Road Supervisor will need to review and approve any new proposed access.

**Water and Wastewater:** The property currently two residential dwellings, each with their own individual septic system and their own well. The applicants are working with Water Resources to provide water for the 2nd dwelling. They are currently are under a shared well which causes issues so they are making sure each dwelling has their own water supply.

**Staff Recommendation:** The project is consistent with the applicable zoning district and applicable County Master Plan designations. For these reasons, staff recommends that the Planning Commission approve the proposal.

Mr. Goodrich stated they did get a permit for the well. It should be mailed within the next week.

Commissioner Allen asked if anyone is in opposition to or in favor of this application

RESOLUTION NO: 2013 – S - 4

RE: APPLICATION FOR MINOR SUBDIVISION FILED BY MURLEEN AND DALE GOODRICH, COVERING PROPERTY LOCATED IN LOT 1, S&H DIVISION OF LAND, IN ALAMOSA COUNTY, COLORADO.

Commissioner Yohn moved for the adoption of the following resolution. Commissioner Dunne seconded the motion.

WHEREAS: Murleen and Dale Goodrich have submitted an application for a minor subdivision covering the following described property:

LOT 1, S&H DIVISION OF LAND AS PER PLAT RECORDED JANUARY 7, 1997, UNDER RECEPTION NUMBER 280893, LOCATED IN ALAMOSA COUNTY, COLORADO, IDENTIFIED AS PARCEL NUMBER 555718000020

Street address known as: 12155 County Rd 109 South, Alamosa, CO 81101

said property being zoned Rural; and

WHEREAS, Said applicant seeks to subdivide the above described property into two (2) tracts as follows:

Tract 1 = 5.53 acres more or less Tract 2 = 1.93 acres more or less

WHEREAS, The Alamosa County Planning Commission reviewed the application for a minor subdivision on August 14, 2013, following proper notice to the public and recommended approval of the application; and

WHEREAS, A public hearing was held on the proposed minor subdivision on September 11, 2013, before the Board of County Commissioners of Alamosa County, following proper notice to the public, and where no adverse testimony was given or received; and

WHEREAS, the Board of County Commissioners has considered the application, finds the application meets all requirements of the Alamosa County Land Development Code pertaining thereto and that the minor subdivision is appropriate; and

WHEREAS, the proposed minor subdivision is consistent with the objectives and purposes of the Alamosa County Land Development Code.

IT IS THEREFORE RESOLVED AND ORDERED that the minor subdivision is hereby granted upon the above-described property pursuant to Alamosa County Land Development Code, Article 7 Section 7.6.6, as adopted on July 15, 2009.
