Public Comment

Leon Moyer who resides at 19417 Ridge Dr Alamosa was present. He would like to comment on budget. He would like to voice some concerns over the budget. Every year the projected
revenue is going up at 17 million and now for 2012 estimating 30 million with expenditure of 36 million. They are drawing down their reserve funds. The issue of the County Jail has been running ever with pre-trial by judges. In the future they could build for County Jail and Court Security Building. They should anticipate down the road for this. There is a new expenditure for County Attorney at $100,000 from the previous year of $20,000.

Review of Uncollectable Taxes

Resolutions 2009-F-002 and 2009-F-003 allow them to take uncollectable taxes and remove them. In some cases the businesses are no longer in business, and the mobile homes have been destroyed or moved. Mr. Neilson they have made every attempt to collect and they are never going to collect these.

Cancellation of Certificates

Resolution 2009-F-001 allows Cancellation of Certificates by statute that are older than 15 years are to be removed from the record and they have some where they have properties where Assessor gives property that has been split where a new Certificate is given so the old is cancelled.

Their tax lien sale is November 15th and 16th. The list must be printed three times.

Commissioner Yohn asked about businesses that transfer ownership why they are not collected at that time. The law doesn’t require the Assessor to have taxes collected before the split or deny a change until the taxes are paid. They have a property right now that is going to split that owes $327. This cannot be part of the tax lien sale collection either.

Alamosa County Sheriff
Monthly Update
Inmate Housing Intergovernmental Agreement

Dave Stong was present.

Mr. Stong discussed the Inmate Housing Intergovernmental Agreement that each county that an inmate is housed there will need to sign and then it will be brought before the board for approval. The monthly Detention Report was given. The Monthly Food Service Report was provided showing 8546 of meals served for the month of September 2011. The County Jail and Lockup Monthly Inmate Statistical Report and the Incidents by Officer Report were given.

Alamosa County Department of Human Services
Monthly Update to County Commissioners

Larry Henderson Director and Laurie Rivera Deputy Director were present
Chafee Foster Care Independence Program Plan

This plan is designed to help Foster Care children to go out on their own. They administer this program for the six valley counties. Ms. Rivera stated this plan is federally funded through the state and then down to the counties. It is for the youth that are being emancipated from foster care to adult life. It is to help the youth not become homeless or unstable in their adult life. It provides services to allow them to become self sufficient and provides them with education or work employment and learn the skills of daily living. The County does not put any funding into this program but the board does approve it. Corey Stocking is currently the worker that does this program and Kathy Suazo is the Supervisor. They receive $27000 but this is not directly all for administrative costs but for the children for room and board.

M/S Wilkinson/Yohn motion to approve Chafee Foster Care Independence Program Plan Motion was approved unanimously.

Ms. Rivera went to Washington DC for the Juvenile Justice and Child Welfare Certificate Program for Public Sector Leaders. Also attending were Bill Gurule from Probation, Cindy Cotton from Senate Bill 94, Cary Hart from Senate Bill 1451, and Judy McNeilsmith and Clarissa Woodworth from Mental Health. Data shows them children that are often in child welfare or services will end up in the Juvenile Justice System. They are working to lower these numbers by looking at Child Welfare Services, Juvenile Justice Services, and Mental Health Services. They offer this program twice a year and their application was accepted.

Mr. Henderson presented the following reports.

Ongoing Workload Summary
Adult Financial  338
Adult Medical  603
Colorado Works  138
Family Medical  1021
Food Stamps  1814
Long Term Care  446
Medicare Savings Program  264
Total  4624

Leap Season begins November 1st and the percentage of eligibility was decreased as well as the funding so the program will be smaller. Commissioner Yohn asked if the applicants that received benefits from last year receive them again this year. Mr. Henderson stated due to the eligibility change those applicants from last year within the new eligibility income guidelines were sent an application. They will need to apply to determine if they are eligible. If someone was eligible last year but didn’t meet that income guideline but has had an income change they may apply to determine qualification.

Food Stamp Issuance for Alamosa County issued $489,902 with 1178 cases and statewide issued $63,244,542.39 with 203,569 cases.
The Investigation Report, Recovery Collection Comparison, and Child Support Collection Comparison were presented. The Statement of Expenditures and the Statement of Revenues were presented as well.

**Request for Employee Vacancy – Caseworker Supervisor**

This position currently supervises 7 staff, oversees Adult Protection, handles 32 cases and 7 referrals a month. They also supervise 4 Child Protection Caseworkers. The supervisors need to attend a four week training before they can supervise. Ms. Connie Ricci stated this position will be opened up in-house and to the public. This may cause another position opening up if someone is hired within so if they could keep that in mind.

Ms. Suzi Campos has a front desk position vacated due to it being hired by the Child Support Department.

M/S Yohn/Wilkinson motion to approve the two positions vacant with the possibility of someone being promoted to Supervisor within the department then that position could be filled as well.

Motion was approved unanimously.

**Alamosa County Clerk & Recorder**

Melanie Woodward was present.

Starting January 1st they will be able to do online registering right now they charge 2.7% for credit card use.

Employee Vacancy Request – OLTC Case Manager

M/S Wilkinson/Yohn motion to approve Employee Vacancy Request
Motion was approved unanimously.

Last month they had 9 referrals for Physical Therapy and they had to refuse because they had no one to fill this. She would like to hire a full-time Physical Therapist position. Commissioner Allen stated he thought they should have had a full-time position before.

M/S Wilkinson/Yohn motion to approve having a full-time Physical Therapist position.
Motion was approved unanimously.

Alamosa County Human Resources

Sandra Hostetter was present.

Employee Vacancy Request for Assessor’s Office

Property Clerk is being vacant. She is considering restructuring the office or assigning different duties to different people. She also considered outsourcing the Commercial Appraisals. Commissioner Yohn asked why couldn’t the person they hire combine both positions without outsourcing. Commissioner Wilkinson asked if the employees that are doing Commercial Appraisals now could take on the duties of this vacant position if she would outsource those Commercial Appraisals. Ms. Ricci stated an appraiser has to be licensed and is paid more. This would be in a way a cut in pay. Mr. Wilkinson stated this isn’t a downgrade it is realigning of duties. She currently contracts a Commercial Appraiser for advice but they could not pay someone for what they would want to be paid.

M/S Yohn/Wilkinson motion to approve Employee Vacancy Request if needed after the consideration of restructuring.
Motion was approved unanimously.

Alamosa County Administration

Mr. Garcia gave the following report.

He is continuing meeting the staff and work towards implementation of several changes. Ms. Carol Osborn has assumed management and administrative oversight of County Finance Officer, Human Resource Coordinator, and DH Accountant. Ms. Connie Ricci is preparing a classification plan study for a number of positions that have been identified for re-classification. He has been working with Mr. Juan Altamirano on several projects which include the Energy Performance RFP selection process. Mr. Altamirano has been tasked with providing updates on his projects directly to them. He has discussed updates to the Land Use Code. He is working on budget comments and changes. The budget hearing is scheduled for November 21st. He has sent a memo to the Sheriff regarding overage on lines items in their budget. They have prepared a
contract which will be utilized by the County and the other Detention Facilities when inmates are housed in their facilities.

Energy Performance Contract

Juan Altamirano was present. He is seeking preliminary approval of the Energy Performance Company that will facilitate an energy audit for improvement. They released a RFP for audit services October 4th. They held committee reviews to review applications and then they held interviews. He would recommend Scimens Company proposal. The next step will be lighting efforts for retrofits of bulbs which will no longer be manufactured and sold. Xcel has rebates as an incentive for changing these but they must do it by December 31st. His goal is to have three proposals for energy savings. Xcel will pay for ½ the cost of.

M/S Wilkinson/Yohn motion to approve preliminary approval for the Energy Performance Contract of Semmons Company.

Motion was approved unanimously.

Ken Vanlwarden was present. Dan Freel and Cathy Kelly were present.

Applicant originally filed for a building permit to build a shop utility building. Building Permit was denied because the shop has to be 50% less than in size than residential unit. During the preconference discussion the applicant wanted to combine lots 34, 35, and 38 with lots 1-7. It was to be proven by applicant whether the lot was a dedicated easement. They found the original map of Mosca. In this it stated all streets and alley are 1 ft in width except those listed. This gave opportunity to appeal decision to Board of Adjustment. So he is asking for a variance to allow a shop or utility building to be put on lots 38, 34, and 35.

Proposal: The applicant has applied for a variance from the zoning regulation as set forth in Section 3.3.7. The property is currently platted as two lots with an alley on the east end in the Town of Mosca and is in a Mobile Home zoned district.

Legal Description: The legal description of the property is Lots 34 and 35, Block 38 in the Town of Mosca, County of Alamosa, State of Colorado.

Project History and Background: The lots are located in the Town of Mosca off of Barker Street and Third Ave and owners are Kathy Kelly and Dan Freel. Ms. Kelly also is the owner of the 5275 Henry St residence which is just north of the lots in question. Mr. Freel’s initial proposal was to vacate the lot lines which would bring the building to compliance as being on the same lot as the primary structure. He was unable to prove the alley had been vacated; therefore was unable to proceed with a plat vacation. Mr. Freel then applied for a building permit in August of 2011 which was subsequently denied by the building inspector because it was in violation of the county building regulations. His appeal at this time is to the Board of Adjustments for a variance from the zoning regulations.

Commissioner Allen asked if anyone is in favor of or opposition to this application.

Mr. Chester Jones of 5231 Mosca spoke in support of decision to allow Mr. Freel to build structure.

WHEREAS:

1. Dan Freel, has submitted an application for a variance to the following described property:

   LOTS 34 & 35, BLOCK 38, TOWN OF MOSCA, COUNTY OF ALAMOSA, STATE OF COLORADO.

   said property being zoned Mobile Home (MH) District.

2. Said applicant seeks a variance in order to place a storage building on the property.

3. A public hearing was held on the proposed variance on October 26, 2011, before the Board of Adjustments and testimony in favor of the proposed variance was given or received.

4. No Testimony was received in objection to said variance.

5. The Board of Adjustments has determined that this application is pursuant to 7.14 of the Alamosa County Land Development Code, as amended.

6. The Board of Adjustments specifically finds that all of the requirements for approval of said variance have been met.

7. The Board of Adjustments has determined that said storage building may not be converted into a business.

NOW, THEREFORE, BE IT RESOLVED that the variance of the above described property as submitted by Dan Freel be approved.

Ken and Andy Crouse were present. They are trying to simplify their farming. Years ago there were all kinds of fences and horses getting out.

Proposal: The applicant/owner is seeking approval to replat the Booth Division of Land No 2. The reconfiguration will change the lot lines to accommodate the radius of a central irrigation pivot. No new tracts will be created.

Legal Description: N2 NE4 NE4 3-36-9 20A(may) Exc E 60°R-O-W WD B 276 P 366 10-24-80

Project History and Background: The larger irrigated farm land tract was purchased by Protect Your Assets in 2009. The adjoining parcel is owned by Robert Steffens and this tract receives irrigation from the center pivot sprinkler on the adjoining farm ground. The owners of both parcels have agreed to replat the properties to reduce the size of the residential tract and increase the farm land by approximately 11 acres. The proposed replat will reconfigure the two properties to amend the irrigation problem created by pivot sprinkler. The residential tract is served for water by well #55491. The larger farm ground has irrigation wells.

Revision where row of CR Rd South 104 at 60' on the north. They asked applicant to clear up these issues before they continued. They Quit Claim that portion to the Marshalls rather than deed it over to them. Davis Engineering revised the original plat and asked applicant for revisions. They have not seen the Quit Claim deed but once they do they can file the plat.

Commissioner Allen asked if anyone is in favor of or opposition to this replat.

Commissioner Wilkinson moved for the adoption of the following resolution. Commissioner Yohn seconded the motion.

WHEREAS:

1. Ken Crouse d/b/a Protect Your Assets, LLC has submitted an application to replat (minor subdivision) the following described properties:

THE NORTH ½, NORTHEAST ¼, NORTHEAST ¼, OF SECTION 3, TOWNSHIP 36, RANGE 9 OF THE N.M.P.M., COUNTY OF ALAMOSA, STATE OF COLORADO.

Also known as 3492 County Road 12 South, Alamosa, CO 81101

2. Said properties being zoned Rural (RU).

3. Said applicant seeks to replat adjoining parcels for the purpose of reducing the size of the residential tract and increase the farm tract by approximately 11 acres. The new configuration will not create any additional lots or change the use.

4. A public hearing was held on the proposed replat on October 12, 2011, before the land use administrator. The applicant and land use staff being present.

5. Testimony in favor of the proposed replat was given or received and no adverse testimony was given or received.

6. The land use administrator determined the application to be in conformance with the requirements of article 7 of the Alamosa Land Use Development code and recommended its approval.

NOW, THEREFORE, BE IT RESOLVED that the re-plat of the above described property as submitted by Ken Crouse d/b/a Protect Your Assets, LLC, be APPROVED.
