STATE OF COLORADO LICENSE NUMBER: _____

PROJECT LOCATION:

Provide a legal description of property.

SCOPE OF PROJECT:

Please check any that apply.

Commercial/Retail Marijuana Cultivation Facility

Retail Marijuana Product Manufacturing Facility

Retail Marijuana Testing Facility

Other: _____

DETAILED PROJECT DESCRIPTION:

Provide a detailed description of the proposed request. Include the description as attachment A.

GENERAL PROVISIONS AND CONDITIONS:

- (a) All commercial cultivation shall take place inside of greenhouse composed of a secured, locked, and unobtrusive structure with approved perimeter fencing meeting the commercial building standards adopted by Crowley County at the time of construction. No outdoor commercial grows will be allowed in Crowley County.
- (b) Commercial Marijuana Cultivation Facilities shall be located at least one mile from the boundary any incorporated town.
- (c) All commercial marijuana facilities must secure a water source adequate to meet their needs without harming other water customers on their water system and their specific water line. A Division 2 Engineer from the Colorado Division of Water Resources must approve the water source secured. Documentation of this approval must be included in the application.
- (d) A plot plan of the property showing all existing structures, access, distances from property lines, easement, right of way, etc. If the property in question is vacant, a plot showing the proposed structures, distances from property lines, access, easements, etc., shall be submitted with this application. This plot plan shall be drawn on 8 1/2" x 11" or 8 1/2" x 14" paper and must be legible.
- (e) A statement of approval from the Crowley County Health Department regarding water supply and sewage treatment.
