

EOC Position Task Books

Transition Process

The existing Colorado EOC Position Task Books (PTBs) posted on the DHSEM website are valid for use until replaced by the updated and revised Colorado EOC PTBs.

The new EOC PTBs will be posted on the DHSEM website and the previous PTBs will be removed. The effective date of the new PTB will be included on the new PTB, which will be the date of posting on the DHSEM website.

Colorado EOC PTBs issued before the date of posting the new PTBs are valid for five (5) years from the date of the initiation of the PTB.

Colorado EOC PTBs issued after the date of posting must be the new EOC PTB.
