The State of Colorado Hazard Mitigation Grant Program Scoring Sheet accompanies this application. For other project type applications, the applicant request technical assistance from the Division of Homeland Security & Emergency Management by e-mail or phone.

5. Projects submitted under the HMGP 5% Initiative Program are exempt from Benefit Cost Analysis requirements. For Other Project Types not submitted on a state designed specific project type application enter the Benefit Cost benefits, cost, and ratio determined prior to application. Export the Benefit Cost file and provide in electronic format, along with all supporting documentation used to develop the ratio. If Benefit Cost Analysis was waived, place an "N/A" in the blanks, and provide explanation below for the exemption. **Attach documentation.**

PROJECT DESCRIPTION

- 1. Type of Project
- 2. Site Address: (No PO or Route No.)
- 3. City, State, Zip Code:
- 4. Tax Parcel ID: 5. Property Tax ID:
- 6. Latitude (in decimal form): 7. Longitude (in decimal form):
- 8. Flood Zone Designation: AE or A 1-30 A (no base flood elevation given)
 B or X (shaded) C or X (un-shaded)
- 9. Panel Number of the FIRM used to determine the above: 10. Date of FIRM:

11. Describe, in detail, the proposed project. Explain how the proposed project will solve the problem(s) and provide the level(s) of protection. Include a description of the desired outcome and methodology of the mitigation activity in terms of mitigation objectives to be achieved.

12. Is this a new or revised application? New Revised
- If revised, check appropriate box:
- Funding Change Timeline Extension
 - Change in Scope of Work Other (specify below)
-

13. Is this a Phased Project application? Yes No
- If Phased, check appropriate box:
- 2 Phase (list phases below) 3/4 Phase (list phases below)
 - Includes Acquisition Includes Easements
 - Involves Relocating Utilities Other (specify below)
-

14. Other Federal Agency (OFA) Partner? Yes No
- If yes, check appropriate box:
- FEMA is primary agency FEMA has a limited role
 - Duplication of Programs review process has been established.
- Provide name(s) of all OFAs
-

15. Will all partners use ASCE/SEI 24-05? Yes No
- If yes, check appropriate box(es):
- 1.5 Basic Design 2.0 Basic Requirements
 - 3.0 High Risk Flood Hazard 5.0 Materials
 - Other ASCE commentary data / addendum

16. Describe yes answers to questions 13, 14, and/or 15.

17. Site Plan (For projects that will change the function / functionality of land surfaces – to include easements):

A site plan (engineering report, feasibility study report), with alignment drawings, that include the location, plan view and cross-section of cuts, fills and control structures, is required. Include the type, and measurement, of all pipes, culverts, ditches, swales and detention/retention basins and ponds. Send the following engineering as appropriate.

- Calculations used to determine the sizes of any culverts in the project (drainage area, amount of flow, slope of culvert, invert elevations).
- Calculations used to determine the sizes of any ditches and swales in the project (drainage area, amount of flow, slope and depth of the ditch).
- Calculations used to determine the sizes of any detention/retention basins and ponds in the project (drainage area, amount of flow, stage-storage, and stage-discharge).

18. Structural Plan (For projects that will change the function / functionality of buildings and other structures – to include retrofitting):

A structural plan (engineering report, feasibility study report), with architectural drawings, that include the location, a topographical view and a view of existing structures, is required. Include the following engineering as appropriate.

- Calculations used to determine the necessary strength, densities, composition and sizes of any structural construction materials proposed for use in the project.
- Calculations used to determine the sizes of any storm-water control systems proposed in the project (to include ditches, culverts, detention ponds, swales, etc.).
- All other pertinent calculations developed to support the need for the project to be considered as proposed

19. Describe answers to questions 18 as necessary.

TIMELINE / MAINTENANCE

Insert the proposed work schedule as tasks to accomplish the overall goal of the proposed activity, i.e., appraisals, title search, closing, etc., and provide a description of the task’s purpose. This timeline will be used as a measurement tool for progress in the project’s implementation and is included in the required Quarterly Reports. Also, FEMA uses the timeline for determining the approved period of performance. It will be the basis used to justify delays or extensions, if necessary, and should be estimated carefully. The first and last entries are state requirements and have already been entered.

1.	Task 1: Colorado State Contract Process The State contract is the State's legal mechanism required to ensure funding or services to the applicant. The timeframe reflects up to a 3 month period.	Timeframe: 3 Months
	Task 2:	Timeframe: <input type="text"/>
	Task 3:	Timeframe: <input type="text"/>
	Task 4:	Timeframe: <input type="text"/>
	Task 5:	Timeframe: <input type="text"/>
	Task 6:	Timeframe: <input type="text"/>
	Task 7:	Timeframe: <input type="text"/>
	Task 8: State Compliance Review and Closeout Financial and project reconciliation with local, state, and federal concurrence.	Timeframe: 3 Months
Total Timeframe (must not exceed 1,095 days, 36 months, or 3 years)		Timeframe: <input type="text"/>

2. The start date for any proposed project begins upon FEMA approval. If a specific timeframe is needed, provide the timeframe and an explanation.

[Empty text box for answer to question 2]

3. An Operations and Maintenance (O&M) plan must be developed for each project. For application purposes, there must be an assurance acknowledging that the project will be operated and maintained in a manner that will achieve the proposed hazard mitigation. The final plan must be submitted prior to project closeout, because FEMA will review the final O & M plan during project closeout.

For the application, do you provide assurance that:

- A. The project will be operated and maintained in a manner that will achieve the proposed hazard mitigation? Yes No
- B. The final O&M Plan will be provided prior to project closeout, for review by FEMA? Yes No
- C. Is a signed Maintenance Agreement attached to this application? Yes No

4. In addition to #3 above, the following questions are to give assurance on the project’s maintenance over its useful life. Please answer each question and give a brief explanation.

a. Who will be responsible for providing any needed maintenance for the project?

[Empty text box for answer to question 4a]

b. What is the cost of maintenance on an annual basis?

[Empty text box for answer to question 4b]

Note: The cost of maintenance is considered an application prioritization weighting factor. Projects containing high maintenance costs have a greater risk of future failure due to deferred maintenance. Therefore, the responses provided above should be as complete and verifiable as possible in order to minimize the likelihood of ranking points reductions due to maintenance concerns.

ALTERNATIVE ACTIONS

List two feasible alternative projects to mitigate the hazard(s) in the project area. One alternative is the “No Action Alternative.”

1. No Action Alternative

Discuss the impacts on the project area if no action is taken.

[Empty text box for answer to question 1]

2. Other Feasible Alternative Project Title:

[Empty text box for answer to question 2 title]

a. Project Description and Scope of Work

Discuss a feasible alternative to the proposed project. This could be an entirely different mitigation method or a significant modification to the design of the current proposed project. Please include scope of work, engineering details (if applicable), estimated budget and the impacts of this alternative. Also, explain how the alternative project will solve the problem(s) and/or provide protection for the hazard(s).

[Empty text box for answer to question 2a]

SCOPE OF WORK / BUDGET

In this section, provide the details of all costs of the project. For estimates, reasonable projections are essential.

1. If this is **NOT** a PHASED PROJECT, enter the estimated costs beginning on line 2. If acquisition is part of the non-phased project, also enter acquisition related costs on Line 1b.
2. If this is a PHASED PROJECT – enter the estimated costs for Phase 1 beginning on Line 1a.

CDBG-DR FUNDING FOR NON-FEDERAL SHARE

Grant recipients may be eligible to use Community Development Block Grant – Disaster Recovery (CDBG-DR) funds for a portion, or all, of the non-Federal share match requirement to FEMA's Hazard Mitigation Grant Program (HMGP). The physical location of the activity must be within a county listed in FEMA Presidential Declaration FEMA-DR-4145-CO. This section of the application should be filled-in *only* if you are seeking to obtain CDBG-DR funds for this purpose.

An activity may be assisted in part with CDBG-DR funds only if **ALL** of the following requirements are met.

1. Connection to FEMA-DR-4145-CO

CDBG's Disaster Recovery funds must be used for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization. The activity must show a direct link to damages received during the September 11-30, 2013 flooding, which resulted in FEMA Presidential Declaration FEMA-DR-4145-CO. Please provide a brief explanation of how the proposed acquisition activity: (1) was a result of this flooding event; and (2) will restore housing or infrastructure, or revitalize the economy.

2. Compliance with national objectives

State recipients receiving allocations under the CDBG-DR program must certify that their projected use of funds will ensure, and maintain evidence, that each of its activities assisted with CDBG-DR funds meets at least one of the three below national objectives.

- a. Which of the national objectives will the proposed project meet?
 - Will benefit to low- and moderate-income persons;
 - Will aid in the prevention or elimination of slums or blight; or
 - May also include activities that the State and its State grant recipient certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs.
- b. How will the proposed project meet the above checked national objective(s).

3. Compliance with the primary objective

The primary objective for using CDBG Disaster Recovery funds is benefitting, by at least 51 percent, persons of low- and moderate-income. The following provides the information necessary to complete this requirement.

- a. Is the proposed activity: jurisdiction wide specified target area

If you checked specified target area, which data source was used? (*Note: select the smallest unit of Census data that encompasses your proposed target area.*)
- b. Enter the number of households involved in the proposed project.
- c. In the space below, describe how the applicant will comply with the requirement that at least 51 percent of CDBG-DR dollars will principally benefit low- and moderate-income households and persons.
- d. Enter the number of households within each income category expected to benefit from the proposed project.

Incomes above 80% of the County Median.....	<input style="width: 50px;" type="text"/>
Incomes above 50% and up to 80% of the County Median.....	<input style="width: 50px;" type="text"/>
Incomes at or below 50% of the County Median.....	<input style="width: 50px;" type="text"/>
- e. Which type of income was used to determine the above? (Check only one)
 - Annual income as defined for Public Housing and Section 8
 - Annual income as reported under the Census long form
 - Adjusted gross income as defined for reporting under IRS

ENVIRONMENTAL/CONSULTATION REQUIREMENTS

Regulations governing the Hazard Mitigation Grant Program (HMGP) state that any project must “*be in conformance with 44 CFR part 9, Floodplain Management and Protection of Wetlands, and 44 CFR part 10, Environmental Considerations.*” To comply with this mandate, written coordination must occur with the state and Federal agencies listed below to provide documentation relative to its potential effect on the physical, biological and built environment.

NOTE: In coordinating with the below listed agencies, please provide photographs of the project site and adjacent area/structures, a description of the project referencing structure/site addresses, site map, property map and USGS map with the property location marked. Maps must be of sufficient scale and detail that show the project site and surrounding project area (area of potential effects).

Attach copies of the correspondence sent and received from below agencies (letters, permits, etc.). A list of contacts, addresses, and phone numbers, as well as an example letter, are provided in the Applicant Handbook.

State Historical Preservation Office

Environmental Requirement: *National Historic Preservation Act: Historical Structures and Archeological Resources*
 Questions Addressed: Does your project affect or is it in close proximity to any buildings or structures of any kind?
 Does your project involve disturbance of ground?

Colorado Division of Wildlife-T&E Species AND U.S. Department of the Interior (Fish and Wildlife Service)

Environmental Requirement: *Endangered Species Act and Fish and Wildlife Coordination Act*
 Questions Addressed: Does your project remove vegetation?
 Is your project in or near any type of waterway or body of water? (within ½ mile)
 Is the project not contained within existing structures, or may it result in changes or potential effects to the natural environment?
 Are there threatened or endangered species or their critical habitat present in the project area or within the county the project is located within?
 Will this activity require an Aquatic Resource Alteration Permit?

Colorado Department of Public Health and Environment AND U.S. Army Corps of Engineers

Environmental Requirement: *Clean Water Act, Rivers and Harbors Act, and Executive Order 11990 (Protection of Wetlands) Executive Order 11988 (Floodplain Management)*
 Questions Addressed: Will the project involve work near or in a waterway, dredging or disposal of dredged material, excavation, adding fill material or result in any modification to water bodies or wetlands designed as “waters of the U.S.” as identified by the US Army Corps of Engineers or on the National Wetland Inventory?
 Will the project require a National Pollutant Discharge Elimination System (NPDES) permit from the U.S. Environmental Protection Agency?
 Will this activity require a Construction Storm-water Permit?
 Does the project alter a watercourse, water flood patterns, or a drainage way, regardless of its floodplain designation? Will the activity require a CLOMR (Conditional Letter of Map Revision)?

U.S. Department of Agriculture (Natural Resources Conservation Services)

Environmental Requirement: *Farmland Protection Policy Act*
 Questions Addressed: Will the project convert more than 5 acres of farmland outside community limits and require documentation from the USDA Natural Resource Conservation Service (Prime, Unique or other Important Farmlands)?

U.S. Army Corps of Engineers AND Colorado Department of Transportation

Regulatory Requirement: *44 CFR §80.13(b): Consultation regarding other ongoing Federal Activities*
 Question Addressed: (1) The sub-applicant must demonstrate that it has consulted with USACE regarding the subject land’s potential future use for the construction of a levee system. The subapplicant must also demonstrate that it has, and will, reject any future consideration of such use if it accepts FEMA assistance to convert the property to permanent open space.
 (2) The sub-applicant must demonstrate that it has coordinated with its State Department of Transportation to ensure that no future, planned modifications, improvements, or enhancements to Federal aid systems are under consideration that will affect the subject property.

Additional Comments

Enter any additional comments related to environmental concerns for the proposed project if desired.

ASSURANCES**Construction Programs**

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability including funds sufficient to pay the non-Federal share of project costs to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title, or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal interest in the title of real property in accordance with awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or state.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of Sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federal-

assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

- 12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
- 13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction sub-agreements.
- 14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
- 15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the

approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (PL. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Section 17.630 of the regulations provide that a grantee that is a State may elect to make one certification in each Federal fiscal year. A copy of which should be included with each application for FEMA funding. States and State agencies may elect to use a Statewide certification.

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Signature on this form provides for compliance with certification requirements under 44 CFR Part 18, "New Restrictions on Lobbying; and 28 CFR Part 17, "Government-wide Debarment and suspension (Non-procurement) and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Federal Emergency Management Agency (FEMA) determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING

- A. As required by the section 1352, Title 31 of the US Code, and implemented at 44 CFR Part 18 for persons entering into a grant or cooperative agreement over \$100,000, as defined at 44 CFR Part 18, the applicant certifies that:
- (a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement and extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;
 - (b) If any other funds than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities", in accordance with its instructions;
 - (c) The undersigned shall require that the language of this certification be included in the award documents for all the sub awards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontract(s)) and that all subrecipients shall certify and disclose accordingly.

2. DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS (DIRECT RECIPIENT)

As required by Executive Order 12549, Debarment and Suspension, and implemented at 44 CFR Part 67, for prospective participants in primary covered transactions, as defined at 44 CFR Part 17, Section 17.510-A. The applicant certifies that it and its principals:

- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of Federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) Have not within a three-year period preceding this application been convicted of or had a civilian judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or perform a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or locally) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
 - (d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default; and
- B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. DRUG-FREE WORKPLACE (GRANTEES OTHER THAN INDIVIDUALS)

As required by the Drug-Free Workplace Act of 1988, and implemented at 44 CFR Part 17, Subpart F, for grantees, as defined at 44 CFR part 17, Sections 17.615 and 17.623:

- (A) The applicant certifies that it will continue to provide a drug-free workplace by:
- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
 - (b) Establishing an on-going drug free awareness program to inform employees about:
 - (1) The dangers of drug abuse in the workplace;

- (2) The grantee's policy of maintaining a drug-free workplace;
 - (3) Any available drug counseling, rehabilitation and employee assistance programs; and
 - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
 - (c) Making it a requirement that each employee to be engaged in the performance of the grant to be given a copy of the statement required by paragraph (a);
 - (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:
 - (1) Abide by the terms of the statement; and
 - (2) Notify the employee in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.
 - (e) Notifying the agency, in writing within 10 calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to the applicable FEMA awarding office, i.e. regional office or FEMA office.
 - (f) Taking one of the following actions against such an employee, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted:
 - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (2) Require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement or other appropriate agency.
 - (g) Making a good effort to continue to maintain a drug free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).
- (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:
