Mitigation and Recovery Program Report

January 27, 2015

DHSEM is coordinating the following mitigation and recovery efforts with government, private-nonprofit organization, and other critical partners.

Marilyn Gally and Greg Moser met with Estes Park Public Works Director, Greg Muhonen, on January 20, 2015 to discuss the Hazard Mitigation Grant Program (HMGP) and possible flood mitigation options.

Assistance for Individuals, Households and Small Businesses

Program FEMA Disaster Case Management Program (DCM)
Lead State Agency DHSEM
DHSEM POC Robyn Knappe, State Voluntary Agency Liaison (VAL)
Program Update

- The second all-day statewide training took place on January 22, 2015 and was well received by the case managers/supervisors. Bernice Williams, USDA, Rural Development, State Housing Specialist and Mike Williams from Clayton Homes, discussed manufactured home units. In addition, a short block on self-care and boundary setting was discussed. The day ended with a session on Access and Functional Needs. The construction team also met in the afternoon. Numerous success stories were shared throughout the day and ended on a high note with a client story about an elderly gentleman who was settled into a new home and awarded a significantly increased Social Security benefit as a result advocacy through the case management program. Thank you for Catholic Charities of Denver who hosted the meeting.

- **Future Training:** "Case Management and Construction - The Intersection" on February 3, 2015 in Loveland. For more specifics or to register email, please contact Robyn Knappe at robyn.knappe@state.co.us.

Donations Management

DHSEM POC Robyn Knappe, State Voluntary Agency Liaison (VAL)

Program Update

- Discussions continue on the requirements for a new donation system to replace the FEMA National Donations Management Network (NDMN) system that was dropped by FEMA on December 11, 2015.

Hazard Mitigation

Program FEMA Hazard Mitigation Grant Program (HMGP)

Lead State Agency DHSEM

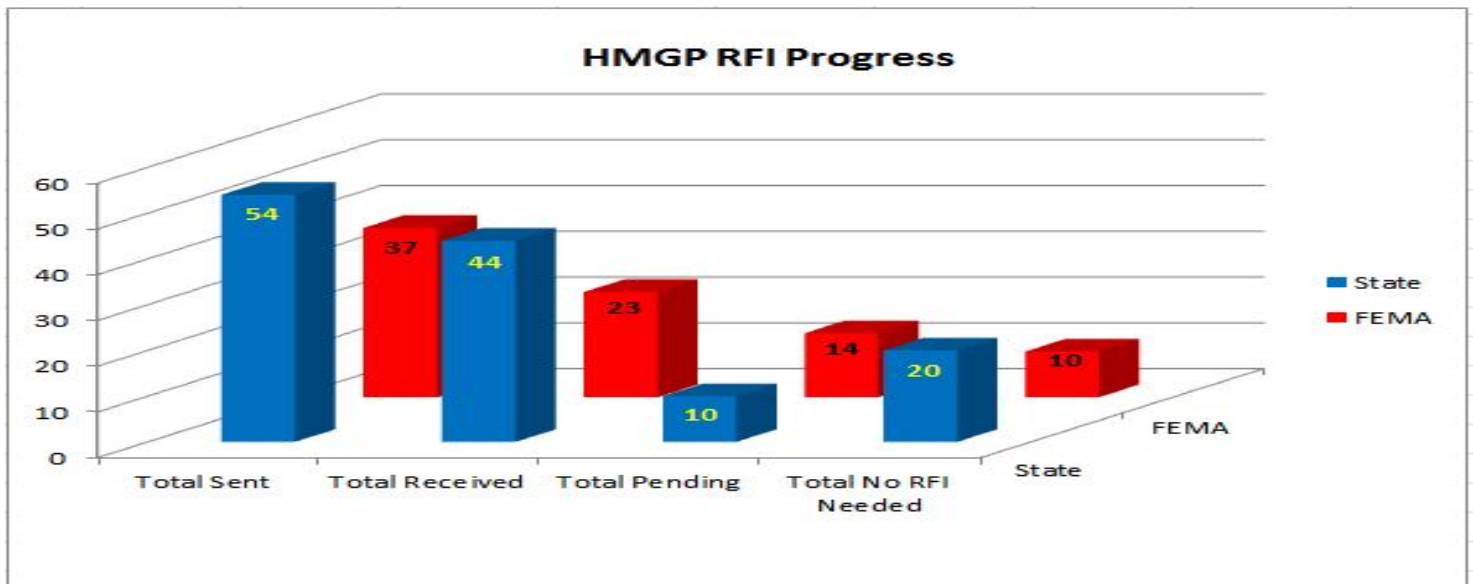

DHSEM POC Scott Baldwin, Mitigation Specialist

Guidance FEMA HMGP guidance documents may be found at <http://www.fema.gov/hazard-mitigation-grant-program>

Program Update

HMGP is open for five disasters: DRs 1762, 4067, 4133, 4134, and 4145.

- The Mitigation team has submitted sixty-four (64) HMGP applications to FEMA for review and consideration. Based on the FEMA six-month HMGP estimate, twenty-one (21) applications fell below the original fiscal constraint line. These applications remain to be submitted to FEMA while the State is reviewing applications and developing the Request for Information (RFI). The remaining applications will be submitted to FEMA at the end of January, February and March. The State is determining application completeness prior to submitting, and those that are the most complete will be submitted first. Sub-applicants in this second pool will be notified when their application is formally submitted to FEMA for review.
- If a FEMA RFI is generated, it will be communicated to the sub-applicant via DHSEM email. Sub-applicant responses to FEMA RFIs within thirty days are mandatory. Failure to respond to a FEMA RFI within the required deadline can jeopardize project funding and/or result in final project denial.

- The Mitigation team met in the Town of Estes Park on January 20, 2015 to discuss the HMGP and possible flood mitigation options.

(L-R) Greg Muhonen, Estes Park Public Works Director, and Marilyn Gally, State Hazard Mitigation Officer discuss Estes Park flood mitigation options.

- The Mitigation team & FEMA are meeting with the Town of Superior this week to discuss a proposed flood control channel improvement project along Coal Creek.
- **Are you curious about your HMGP application?** The Mitigation team will be reaching out to sub-applicants over the next two weeks to discuss the progression of your HMGP application(s) and answer any questions you may have. Your patience is greatly appreciated during this process and we look forward to speaking with you soon.
- **Tip of the Week:** Are you informed? To receive the latest Mitigation information and news visit coemergency.com.

Program Update	

- In the last week, seventeen (17) requests for reimbursements (RFRs) were submitted, and forty-four (44) RFRs have been recommended for payment. The total amount of RFRs is now at 768, of which 394 are recommended for payment and 150 were returned to the Sub-grantees for additional information. The remaining 224 are in progress. The total amount requested is \$110.7 million, and \$93.9 million is considered initially eligible. \$41.5

million has been recommended for payment, and \$21.0 million has been returned to Sub-grantees for additional information.

- Four requests for scope changes were submitted in the last week, and one request was deferred to closeout. The total amount of scope change requests is now 200 of which 129 are completed or deferred to closeout, and thirty (30) were returned to the Sub-grantees for additional information. The remaining forty-one (41) are in progress.
- There have been forty-seven (47) payments made in the last week for a total of \$2.6 million, including federal and state share.
- **Announcements:**
 - Thank you to everyone who got their quarterly reports in on time. It is greatly appreciated.
 - Next PA call will be January 30, 2015 at 9 a.m. Call in information and presentation will be sent out prior to the call.
 - As discussed on the last call, the State will be releasing information on force account labor (FAL) costs and cost reasonableness. The release of this information was delayed due to programmatic changes being discussed with FEMA. We hope to have this guidance ready in the coming weeks.
 - The hiring of project specialists and finance specialists is still in progress. All interviews were conducted, and State staff is moving applicants forward in the background check process.
- **Important Dates:** Time extensions for permanent work projects are due February 14, 2015.
