

AGRICULTURAL LAND DESIGNATION QUESTIONS

1. How is the parcel currently being used? What is the predominant use, and how has the use changed over the previous two calendar years?
2. What is the ratio of agricultural use to other uses of the land?
3. What is the size of the parcel or parcels of land (if you own adjacent property) being used? In particular, is the size economically compatible with agricultural use to which the land is devoted?
4. Is an agricultural product produced on the land?
5. Are livestock grazed on the land? If so what kind?

In addition to answering the above questions, please provide any of the following documentation that is applicable.

- IRS Form 1040F
- Leases
- Receipts for services rendered and items purchased relevant to the agricultural operation
- Brand inspection certificates
- Enrollment documents from Federal Agricultural programs
- Ownership of irrigation water shares
- Sales invoices of Agricultural products or livestock sold
