

## **Restaurant and other health inspections**

*If you are looking to construct a restaurant facility, open a restaurant, or take over an existing restaurant, please contact the Colorado Department of Public Health and Environment, Division of Environmental Health and Sustainability, to inquire about regulatory requirements and retail food establishment licensure at 303-692-3645.*

*The Division also provides information and resources on regulatory requirements for constructing and opening a restaurant on their website at:*

<http://www.cdphe.state.co.us/cp/retailfood/retailfoodopening.html>

*For information related to food safety, restaurant regulation and licensure, restaurant health inspections, or other restaurant related questions, please visit the Colorado Department of Public Health and Environment, Division of Environmental Health and Sustainability website at:*

<http://www.cdphe.state.co.us/cp/retailfood/retailhom.html>

*For information related to health inspection programs for child cares, schools, or other consumer protection related services, please visit the Colorado Department of Public Health and Environment, Division of Environmental Health and Sustainability website at:*
