**MORGAN COUNTY BOARD OF COMMISSIONERS
RECRUITING VOLUNTEERS TO SERVE
ON THE PLANNING COMMISSION
AND BOARD OF ADJUSTMENTS**

Positions on the Board of Adjustments and the Planning Commission are appointed by the Board of County Commissioners. These positions will provide the opportunity for Morgan County citizens to have a voice in land use decisions and policy making while serving the community. If you have an interest in planning, land use or government decision making processes one of these committees may be well suited to you and your interests.

Morgan County Planning Commission consists of seven members and two alternates that review land use proposals and revisions to the County's Zoning and Subdivision Regulations and make recommendations to the Board of County Commissioners. An example would be a proposal for a new subdivision or a proposed use of a property that requires review and approval prior to commencement of the use. Planning Commission meets once a month, in the evening, on the second Monday or on an as needed or as necessary basis.

Terms are expiring for three Planning Commission members at the end of 2018. Consider applying by submitting your letter of interest to the Morgan County Commissioners.

The Board of Adjustments consists of five members and two alternates that act on requests for land use variances. An example would be a property owner that wants to construct a new shed and is not able to meet the setbacks required of 30' and requests a reduction of setback to 10'. The Board of Adjustments meets once a month, in the evening, on the third Monday or on an as needed or as necessary basis.

Terms are expiring for three members of the Board of Adjustments at the end of 2018.

Individuals with interest should submit a letter of interest to the Board of County Commissioners. The Commissioners will then select the new members for the committees to terms that will begin in January 2019. Members of the committees will be paid a stipend for attendance at scheduled Planning Commission or Board of Adjustments meetings.

Please consider volunteering to serve Morgan County on one of these boards. Letters of Interest will be accepted until December 21, 2018. You may submit your letters of interest to:
