

RESOLUTION #2018-3

FOR ADOPTION OF PRE-HAZARD MITIGATION PLAN

Whereas, the General Assembly Town of Ophir, San Miguel County, Colorado, recognizes the threat that natural hazards pose to people and property within our community; and

Whereas, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

Whereas, an adopted All Hazard Mitigation Plan is required as a condition of funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs; and

Whereas, the General Assembly of Town of Ophir fully participated in the mitigation planning process to prepare this All Hazard Mitigation Plan; and

Whereas, the Colorado State Department of Emergency Management and the Federal Emergency Management Agency, Region VIII officials have reviewed the All Hazard Mitigation Plan and approved it contingent upon this official adoption of the participating governments and entities;

Now, therefore, be it resolved, that the General Assembly of Town of Ophir hereby adopts the San Miguel County All Hazard Mitigation Plan as an official plan; and

Be it further resolved, that the San Miguel County Emergency Management Coordinator will submit this Adoption Resolution to the Colorado State Department of Homeland Security and Emergency Management (DHSEM) and the Federal Emergency Management Agency (FEMA), Region VIII to enable the San Miguel County All Hazard Mitigation Plan's final approval.

Corinne Platt, Mayor

Date: 5-15-18

Attest: Lisa Rutledge, Town Clerk

Date: 5/15/18

Memo

March 28, 2018

Re: Adoption of San Miguel County All Hazard Mitigation Plan 2018

To Whom It May Concern,

The San Miguel County All Hazard Planning Team collaborated to complete a comprehensive update of the San Miguel County All Hazard Mitigation Plan. The towns of Mountain Village, Norwood, Ophir, Sawpit and Telluride and the fire protection districts of Telluride, Egnar/Slickrock and Norwood/Redvale also participated in the update of this important plan.

The purpose of the plan is to reduce and eliminate losses from natural and manmade hazard events and to better protect the people and property of San Miguel County from the effects of hazard events. The plan was completed in January and submitted to the Colorado State Department of Emergency Management. After a review period, the State submitted the plan to the Federal Emergency Management Agency (FEMA) for its required approval.

I recently received notice that FEMA has granted approval of the plan and the next step is adoption by all participating jurisdictions. Once this occurs, and FEMA receives the documentation, then they will sign and deliver the final approval letter to my office – which I will provide to you through your designated point of contact(s).

This memo is to request that your jurisdiction's point of contact(s) be placed on the agenda for the next available town council session for formal adoption of this plan. Attached is an example of an adoption resolution for the plan for your use. You may modify the document as you see fit for your organization.

Jennifer Dinsmore

SMC Emergency Management Coordinator
