The applicant understands that this permit when issued constitutes an agreement between the Town and the property owner under the following terms and conditions.

- A. Excavation for the above-named tap may be authorized in the above described street or alley provided the grantee applies for and receives an approved Encroachment Permit for the work and pays applicable fees to the Town. All work shall be completed in accordance with the executed Encroachment Permit.
- B. Inspection and approval of all taps and piping installations shall take place prior to backfill. Inspections will be made within 48 hours from the time of request after completion of the tap, except for Saturdays, Sundays, and holidays.
- C. The grantee of this permit is responsible (at their expense) for complying with Manual of Uniform Traffic Control and for furnishing all lights, flares, barricades, walkways, covers and other safety devices that are required by Town and State law to properly protect the public during the progress of all work under this permit.
- D. The minimum specification for materials to be used, the method of installation and all conditions of use for all enlargements or attachments to the Town owned utility systems shall be consistent with Chapter 9 of the Ridgway Municipal Code, the excavation and encroachment permit, and the Town’s standards and typical drawings.
- E. Applications for nonresidential sewer taps shall be accompanied by a Wastewater Questionnaire. Additional conditions of service may be applied to nonresidential sewer taps.
- F. Absent prior Town approval, no excavation shall occur in Town streets, alley and other rights of way between November 15<sup>th</sup> and March 15<sup>th</sup> in any year. (*Resolution 09-11*)
- G. Owner agrees to comply with Town regulations for utility service and payment of applicable fees.
