

COLORADO DEPARTMENT OF HEALTH CARE POLICY & FINANCING

---

**Welcome to a new program to help with your Medicare and Medicaid services!**

Dear Mrs. Jones,

On <enrollment date>, you are being enrolled in a new program for people who have both Medicare and Medicaid. This new program will help your Medicare and Medicaid work together better, making it easier for you to get the services you need.

In this new program, your local Regional Care Collaborative Organization, <name of RCCO>, will work with you and your doctors and other providers to coordinate your care and help you find social and community services in your area.

Our information shows:

**Your doctor is part of** <Name of Practice>.

**Your new Regional Care Collaborative Organization is** <Name of RCCO>.

**What do you have to do to be in the new program?**

You don't have to do anything. You are automatically in the program. Within a few weeks <Name of RCCO> will contact you to explain how the new program can help you.

**What if you don't want to be in the new program?**

If you don't want to be in this program, please tell us by calling HealthColorado at 1-888-367-6557. You can call Monday to Friday, 8 a.m. to 5 p.m. The call is free. You may call within 30 days or at any time in the future.

**For another language or larger print: 1-888-367-6557. The call is free.**

**For TTY: 1-888-876-8864**

## COLORADO DEPARTMENT OF HEALTH CARE POLICY & FINANCING

---

Questions you may have:

**1. Will this new program cost me money?**

No, there is no additional cost to you.

**2. Will I still be able to see the doctors I have now?**

Yes, our information shows your doctor is already in the program.

**3. Do I have to fill out paperwork?**

No, you are a member now.

**4. Are my benefits going to change?**

No, you still have the same Medicare and Medicaid benefits.

**Do you have other questions?**

Please note that this is your enrollment letter. It is the only formal notice you will receive. If you have other questions or need more information, please see below.
