Barn Fire

BRIGHTON, Colo.— On Saturday, August 13th at 2:01 a.m. South Adams County Fire Department was dispatched to a reported weed fire at 112th & Picadilly. SACFD called Brighton Fire Rescue District for aid in the fire, and when both crews arrived on scene they discovered the fire was actually further north at 118th & Picadilly in Brighton Fire Rescue District.

Upon arrival crews also found a barn fully engulfed in flames. There were eight horses inside the barn. None survived. Junk cars also burned in the fire. The cause has been determined as accidental, caused by an overloaded extension cord.
