RULE 16 RULES FOR EXCEPTIONS PROCESSING

Purpose
The purpose of this rule is to set forth regulations for an Exceptions Process and identify the alternative documents the Department will accept. Exceptions Processing is the procedure the Department has established for persons who are unable, for reasons beyond their control, to present all the necessary documents required for a Colorado or Colorado Road and Community Safety Act driver’s license or identification card, and must rely on alternative documents. For Applicants who are U.S. citizens, Exceptions Processing allows for alternative documents to be presented that establish identity, date of birth, U.S. citizenship, and Social Security Number. For Applicants who cannot demonstrate lawful presence or for Applicants who can demonstrate temporary or permanent lawful presence, Exceptions Processing allows for alternative documents to be presented that establish identity, date of birth, and Social Security Number. For Applicants who do not have an established residence, Exceptions Processing allows for an alternative to establish residency.
