Colorado Department of Revenue
Retail Sales in Major Counties by Industry

### October 2016

These industries are defined in the North American Industry Classification System (NAICS). The Department determines a taxpayer's NAICS based on information provided by the taxpayer.

1 May not sum to total due to rounding.

Prepared by: Office of Research and Analysis
Data retrieved: 9/2/2019
Publish date: September 2019

NR = Not releasable due to taxpayer confidentiality requirements. Total includes NR data. Per §39-21-113(4), C.R.S., data derived from taxpayer returns is aggregated in order to protect the confidentiality of individual taxpayers. It is the Department’s practice to release aggregated data only when there are at least three taxpayers in a given category and none of them represents more than 90% of the total.
