## 2018 Consumer Use Tax Reporting Schedule

Use this schedule to report consumer use tax due. This is one of three methods of filing to pay a consumer use liability. You may also use Revenue Online or file a DR 0252, Consumer Use Tax Return. See instructions for more information on how to file.

### What is Consumer Use Tax?

Consumer use tax is a complement to state sales tax. Consumer use tax is payable to the state on tangible personal property for which sales tax has not been paid. Individuals and businesses have always been required to pay sales or use tax on tangible personal property

purchased from out-of-state vendors if the item is sold, leased, or delivered in Colorado for use, storage, or consumption in the state.

For more information on your consumer use tax obligation, including how to use the new annual customer reports from non-collecting retailers, please visit [Colorado.gov/Tax/UseTax](http://Colorado.gov/Tax/UseTax)

Special Districts also assess a use tax. More than half of Colorado residents live in one or more of these districts. The special districts that assess a use tax on purchases and the applicable tax rates are listed in the "Special District Rates and Boundaries Table."
