It is the Department's practice to release aggregated data only when there are at least three taxpayers in a given category and none of them represents more than 80% of the total.

This report reflects taxes collected by the State of Colorado in January 2015 for sales made primarily in December 2014.

These reports differ from those previously published. Medical marijuana sales by county will no longer be reported. Previous reports were based on taxpayer-reported sales for a particular filing period, while these reports show actual taxes paid in a given month. These two methods of reporting marijuana data are not directly comparable. Going forward, all reports are based on actual taxes paid in a given month.
