16 amount in an old hire plan fund in excess of two times the amount

18 benefits from the plan fund, as determined by the plan's actuary. In  
19 determining the excess balance in an old hire plan fund, the actuary shall

10 fund. If the board purchases annuities for such persons, the governing  
11 body of the employer, by resolution, may authorize the use of any  
12 additional funds that remain in the plan fund after purchasing such  
13 annuities for the purposes permitted in subsections (1) and (2) of this  
14 section. Annuities may be purchased pursuant to this paragraph (b) only  
15 from insurance companies rated at least A+ by the A.M. Best company or

18 paragraph (b), the employer ~~shall remain~~ REMAINS liable to make any  
19 required benefit payments to persons for whom the annuities were  
20 purchased.

23 ~~plan fund shall be used to provide an annual adjustment to the pension~~  
24 ~~benefits for such persons prior to using the excess balance in the plan~~  
25 ~~fund as provided in paragraph (a) of this subsection (4) and prior to~~  
26 ~~purchasing annuities as provided in paragraph (b) of this subsection (4).~~  
27 The minimum annual adjustment shall be calculated in the same manner

1 as the annual adjustment to total disability benefits provided for members  
2 of the statewide death and disability plan pursuant to section 31-31-803  
3 (6)(b)(II); except that the effective date of the benefit for purposes of the

6 contributions to such fund would have been but for section 31-30.5-304  
7 (5), then each such fund shall receive that amount of supplemental state  
8 contributions sufficient to eliminate, on a present value basis, the

18 each such fund having an unfunded accrued liability shall be credited  
19 with state contributions in proportion to the percentage of aggregate  
20 unfunded accrued liabilities each such fund represents, excluding any

7 as of January 1, 1980, bear to the total number of years required for  
8 retirement. At retirement, the retirement pension shall be divided into that  
9 percentage and the remainder. The portion of the retirement pension equal  
10 to that percentage earned as of January 1, 1980, shall be subject to rank  
11 escalation as provided under the old hire pension plan, and the remainder  
12 of the retirement pension shall be subject to the same adjustment as that  
13 determined by the fire and police pension association board of directors  
14 pursuant to section 31-31-407.

15 (II) An employer may elect to continue full rank escalation  
16 benefits for that portion of the retirement pension subject to the  
17 adjustment as provided in subparagraph (I) of this paragraph (b), but no  
18 state contribution shall be used to fund such continuation of rank  
19 escalation or any unfunded liabilities incurred as a result of such  
20 continuation of rank escalation.

21 ~~(c) State contributions pursuant to this subsection (1) shall cease~~

25 (2) (a) ~~On September 30, 1995, and on September 30 of each year~~  
26 ~~thereafter through 2002 and on April 30, 2006, and on April 30 of each~~  
27 ~~year thereafter through 2013, the state treasurer shall transfer from the~~

1 proceeds of the tax imposed by section 10-3-209, C.R.S., to the old hire  
2 plan members' benefit trust fund created by section 31-31-701 (6), an  
3 amount equal to twenty-six million six hundred thousand dollars minus  
4 the amount transferred under section 31-30-1112 (2) (g) (I); except that,  
5 on April 30, 2012, the total amount transferred pursuant to this subsection  
6 (2) shall be five million three hundred twenty-one thousand seventy-nine  
7 dollars, and on April 30, 2013, the total amount of such transfer shall be  
8 ten million dollars. Such annual transfer to the fund under this subsection  
9 (2) shall cease when the requirements of paragraph (c) of subsection (1)  
10 of this section have been met, and the final annual transfer may be in an  
11 amount less than the amount prescribed by this subsection (2) as  
12 determined from the total amount of unfunded accrued liability of  
13 employers. Moneys in said fund shall TRANSFERRED FROM THE STATE  
14 TREASURER AS STATE ASSISTANCE TO THE OLD HIRE PLAN MEMBERS'  
15 BENEFIT TRUST FUND SHALL not revert to the general fund but shall be ARE  
16 continuously available for the purposes provided in this part 3 and part 11  
17 of article 30 of this title.

18 (b) On May 31, 2013, the state treasurer shall transfer one hundred  
19 thirty-two million four hundred nine thousand three hundred thirty-nine  
20 dollars from the general fund to the old hire plan members' benefit trust  
21 fund created in section 31-31-701 (6). No other transfers FOR STATE  
22 ASSISTANCE TO THE OLD HIRE PLANS shall be made to the old hire plan  
23 members' benefit trust fund pursuant to this section.

24 (2.5) Repealed.

25 (3) Except for moneys that are transferred pursuant to paragraph  
26 (b) of subsection (2) of this section, moneys transferred pursuant to this  
27 section shall be included for informational purposes in the annual general

1 appropriation bill or in supplemental appropriation bills for the purpose  
2 of complying with the limitation on state fiscal year spending imposed by  
3 section 20 of article X of the state constitution and section 24-77-103,  
4 C.R.S.

5 (4) By October 1, 2001, and by October 1 of each year thereafter,  
6 until October 1, 2002, and by March 1, 2006, and by March 1 of each  
7 year thereafter, until March 1, 2019, or until all state-assisted old hire  
8 pension plans are fully funded, whichever comes first, the board shall  
9 determine for every state-assisted old hire pension plan whether the sum  
10 of the required state and employer contributions for the current year is  
11 greater than the amount necessary to eliminate the remaining unfunded  
12 liability of the plan. The board's determination shall be based on the  
13 previous year's actuarial studies performed pursuant to section  
14 31-30.5-306 and the sum of the previous year's state and employer  
15 contributions. If the board determines that the sum of the required  
16 contributions for the current year is greater than the amount of remaining  
17 unfunded liability of the plan, then both the required state and employer  
18 contributions to that plan shall be in an amount proportionate to the  
19 amount respectively contributed in the previous year so that the sum of  
20 the two contributions is equal to an amount that eliminates any remaining  
21 unfunded liability.

22 (5) (a) (I) Notwithstanding any other provision of law, the state  
23 treasurer shall not transfer moneys to the old hire plan members' benefit  
24 trust fund pursuant to subsection (2) of this section on September 30,  
25 2003, September 30, 2004, or September 30, 2005. The state treasurer  
26 shall resume such transfers beginning on April 30, 2006, and shall make  
27 a transfer every April 30 thereafter until 2008 pursuant to subsection (2)

1 of this section. The transfers shall resume on April 30, 2012, pursuant to  
2 subparagraph (H) of this paragraph (a).

3 (H) Notwithstanding any other provision of law, the state treasurer  
4 shall not transfer moneys to the old hire plan members' benefit trust fund  
5 pursuant to subsection (2) of this section on April 30, 2009, April 30,  
6 2010, or April 30, 2011. The state treasurer shall resume such transfers  
7 beginning on April 30, 2012, and shall make a transfer every April 30  
8 thereafter until 2019 pursuant to subsection (2) of this section or until all  
9 state-assisted old hire pension plans are fully funded, whichever comes  
10 first.

11 (b) Notwithstanding any other provision of law, the state shall  
12 transfer to the old hire plan members' benefit trust fund any amount of  
13 unfunded liability accrued as a result of the suspension of the state  
14 contribution to the fund pursuant to paragraph (a) of this subsection (5)  
15 or the reduction of the state contribution made in 2012 and 2013 pursuant  
16 to subsection (2) of this section as determined in the actuarial study filed  
17 with the fire and police pension association pursuant to section  
18 31-30.5-306 (1) (b) (H). Such transfers may occur at any time until April  
19 30, 2019.

20 (c) Nothing in this subsection (5) shall be construed to limit the  
21 authority of the general assembly to evaluate the advisability of the  
22 statutory contribution to the old hire pension plans in light of its own  
23 fiscal situation.

24 (6) If voters statewide approve a ballot issue submitted by a joint  
25 resolution of the general assembly as specified in section 24-115-110 (1)  
26 (a), C.R.S., that authorizes the state to issue notes, as defined in section  
27 24-115-103 (8), C.R.S., and to credit note proceeds to the fire and police

1 members' benefit investment fund created by section 31-31-301, the state  
2 obligation specified by this section shall be satisfied to the extent of the  
3 actuarial equivalency of the proceeds from the notes.
