Employer Groups by Plan Offering

SHOP Membership by Carrier

Freedom of Choice

- **53%** of all employers chose multi-carrier plans
- Choice relieves the Employer from choosing one plan that fits all employees' needs
- Choice can save both the employer/employees money
- Choice is not offered outside the Marketplace for groups as small as 2 employees

Open Enrollment 4 Updates

- Improved user interface and reduced number of screens
- Extended deadlines for group submissions
- Continued Direct Service Center access
- Regional SHOP training to brokers
 - 150+ brokers currently signed up

SHOP Options

- Connect for Health Colorado is considering several options for the future structure of SHOP
- Will be engaging stakeholders and advisory groups including brokers, small business owners, and consumers to review options and receive feedback
