

# Pesticide Testing Working Group

Agenda

Friday, February 19, 2016

9:00-11:30 a.m. (Department of Revenue)

## MEETING DETAILS

Meeting room: **Department of Revenue, 1881 Pierce St., Lakewood, CO 80214**  
Conference Room 110, Entrance B

For questions about this meeting, contact us at 303-691-4028

## PURPOSE

To work with impacted stakeholders to determine a path forward for testing marijuana/marijuana products for pesticide residues and for marijuana testing facility pesticide analysis certification.

## DESIRED OUTCOMES

- A. A decision on which pesticides should be tested for
- B. A decision on which products will be tested for pesticide residues
- C. A decision on a required minimum detection limit
- D. Establishment of a proposed timeline for certification and testing requirements

## AGENDA

1. Start up: welcome, introductions, agenda review, process and timeline
2. Update from the sub-committee working on establishing pesticide residue limits and protocols for minimum detection limits for testing facilities
3. Update from the sub-committee working on the draft list of pesticide residues to be tested for
4. Update from the sub-committee working on sampling protocols, including which products will be tested for pesticide residues
5. Discussion of the timeline for next steps
6. Public Comment
7. Meeting review +/-Δ
