Re: FY 07-08 Allocation of Medicaid Funding for Administrative Case Management

Dear County Director:

Starting in FY 07-08, the Department will issue one letter for the Medicaid funding for clients in the Families and Children's Program (Family Preservation / Core Services Program) and Child Welfare Services program.

Allocations on page 2 are the maximum amount of Medicaid funding available to the counties for alternative case management for clients receiving Families and Children's Program (Family Preservation / Core Services Program) and Child Welfare Services. There is no county share associated with these funds and all Medicaid funding was allocated through an agreed upon methodology with the Department of Human Services. Funding from the Department of Health Care Policy and Financing will also be reported in a corresponding letter from the Department of Human Services but as informational only. Random moment sampling, performed by the Department of Human Services, will continue to determine the amount of Medicaid and non-Medicaid reimbursement to the counties.

The State of Colorado uses warrants and Electronic Fund Transfer (EFT) to process payments to vendors and contractors. If you are currently receiving warrants or EFT and you are not requesting a change in the method of payment, no further action is required. However, if you would like to change your method of payment from warrants to EFT, please complete the attached form and fax it to Marta Fyffe at (303) 866-3669.

If you need assistance in completing the form or have any questions regarding this letter, please feel free to contact Marta Fyffe at (303) 866-2310.

Sincerely,
