Re: Point of Contact: Reporting Suspected Medicaid Client Fraud

ACTION REQUIRED

Dear County Director:

The Department of Health Care Policy and Financing (Department) is working to improve processes for reporting suspected Medicaid client fraud. Currently, our Web site directs users wishing to report suspected fraud directly to the Colorado Department of Human Services' home page. We are hoping to make the process more user-friendly.

The Department is asking each county to designate a point of contact for citizens wishing to report suspected Medicaid client fraud. Points of contact will be listed by county on Colorado.gov/HCPF.

Please specify who the point of contact will be for your location. Include his/her name, title, address, phone number and email address. The contact information should be submitted to Michelle Adams at Michelle.Adams@state.co.us or at 303-866-2384 by February 10, 2012. If no contact is designated, the county's main number will be listed on the Department's website.

Thank you for your time. We appreciate your help.

If you need additional information, please feel free to contact me at 303-866-4429 or via email at Heather.Hewitt@state.co.us.

Sincerely,
