RE: Performance Standards Forum

Dear County and Medical Assistance Site Director:

The Department of Health Care Policy and Financing (the Department) and ApregioHealth, the contracted consultant, are hosting a forum to review performance standards and measures for Medical Assistance Eligibility. Over the last two months, ApregioHealth has gathered information and collaborated with eligibility sites in an effort to develop uniform performance measures for eligibility determinations and redeterminations. This project is a result of the Centers for Medicare and Medicaid Services (CMS) review from July 2010 through December 2010 which determined deficiencies in Medicaid and CHP+ Eligibility and Enrollment systems and processes.

The Performance Standards Forum is scheduled for Monday, February 27, 2012 from 1:00pm-3:00pm at Arapahoe County Human Services, 14980 E. Alameda Drive, Aurora, CO 80012. If you are unable to attend in person you can participate through the call-in option by dialing 1-877-820-7831 and entering passcode 439283#.

We look forward to your participation and appreciate your continued support with this project. If you have any questions, please contact me at Heather.Hewitt@state.co.us or 303-866-4429.

Sincerely,
