

FOR DISCUSSION at JULY 2015 CICP STAKEHOLDER FORUM

CICP Dental Clinic Meaningful Sliding Fee Scale Determination

Please attach a copy of your Sliding Fee Scale (SFS) to this application. Ensure that in its structure it clearly demonstrates the following:

- Discounts are offered to CICP eligible individuals with incomes between 0% and 250% FPL
- The scale has multiple tiers with corresponding differences in discounts
- The lowest tier corresponds to the lowest income and has the largest discount

The following questions are intended to assist the Department in determining if the provided SFS meets the standards established for a CICP dental slide.

1. Does your scale vary based on the complexity of service, for example preventative or restorative?

Yes No

If yes, please describe what services fall into each category:

[Click here to enter text.](#)

2. Please describe how your clinic developed the SFS and determined the discounts for each tier:

[Click here to enter text.](#)

3. Are supplies, equipment, and lab work charged to the patient separately?

Yes No

If yes, is a discount available to patients for these costs?

Yes No

4. Does your clinic have a policy about applying the SFS uniformly to either all clients or CICP clients?

Yes No

If yes, please attach this policy

Department use only

For approval, the SFS must contain all of these elements:

- Extends to 250% FPL
- Has multiple tiers
- Provides the largest discount to the lowest income tiers
- Patient fees for all tiers are below usual and customary charges
- Is applied uniformly to all CICP patients, demonstrated through organizational policy
