

REGULATORY EFFICIENCIES REVIEW PLAN – 2015

Regulatory priorities for 2015

Pursuant to Executive Order, D 2012-002 as codified at Section 24.4.103.3 C.R.S. (2014), relating to Regulatory Efficiencies Reviews, the Colorado Department of Health Care Policy and Financing (Department) has determined that the following regulatory efficiencies reviews shall be the Department's regulatory priorities for the upcoming year:

Scope of the regulatory review process for 10 CCR 2505-10:

- Section 8.130 Provider Participation
- Section 8.170 State Identification Number
- Section 8.180 Medical Identification Cards and Duration of Eligibility
- Section 8.190 Acute Medical Benefits Determination
- Section 8.300.2 Hospital Change of Ownership
- Section 8.300.6 Outpatient Hospital Reimbursement
- Section 8.305 Emergency Ambulance Service Benefit Coverage Standard
- Section 8.310 Dialysis Treatment Center Benefit Coverage Standard
- Section 8.300 Hospital Services
- Section 8.390 Long Term Care Single Entry Point System
- Section 8.392 Financing of the Single Entry Point System
- Section 8.393 Function of a Single Entry Point Agency
- Section 8.800 Pharmaceuticals
- Section 8.900 Colorado Indigent Care Program
- Section 8.930 Comprehensive Primary and Preventative Care Grant Program
- Section 8.940 Old Age Pension Health Care Program and Old Age Pension Health Care Supplemental Program
- Section 8.950 Primary Care Fund
- Section 8.1000 Medicare Modernization Act – Low Income Subsidy Eligibility
- Section 8.2000 Hospital Provider Fee Collection and Disbursement

Designated Department staff who are assigned to the program areas on this schedule will review the sections of rule identified below. These rules will be subject to a full analysis as delineated in the Department's Regulatory Efficiencies Review Process Guidance (Review Process Guidance). The final report of the review will be available November 30, 2015, the end of the review cycle.

Proposed schedule of activities, meetings and interim actions, including any internal, statutory or judicial deadlines;

In an effort to inform both internal and external stakeholders of the ongoing review process the Department will update the schedule of activities, meetings and interim actions and will post all opportunities for stakeholder participation to the Department web site. Ample opportunity to fully review the contemplated changes and to participate will be provided to all interested parties.

Principal staff assignments including name, address and contact information the public can contact;

TBA

Status of the Regulatory Plan;
