

Invitation to attend the *2015 Stakeholders Meetings* for the review of Rules 16 & 18

Dear Health Care and Payer Representatives,

The Division of Workers' Compensation will once again be hosting a series of stakeholder meetings for our annual review of Rules 16 & 18. Discussion will be open to all aspects of the rule including our proposed final transition from the "Relative Values for Physicians" (RVP) relative value scale to Medicare's Resourced Based Relative Value Scale (RBRVS).

The schedule for this year's meetings is provided below and will include a teleconference option. Please contact [Debra Northrup](#) if you or a representative of your organization would like to attend so we can ensure adequate accommodations are available or provide you with the teleconference number.

We look forward to working with all of you again and appreciate your time and input.
