CATPA Fees - General

Per Colorado statute §10-4-617 C.R.S., each insurer that issues a vehicle policy in Colorado shall biannually pay a fee for the support of the Automobile Theft Prevention Authority. The fee shall be equal to one dollar multiplied by the number of motor vehicles insured by the insurer on July 1 of each year. On or before August 15 of each year, the number of motor vehicles insured by the insurer on July 1 must be submitted to the Colorado Automobile Theft Prevention Authority. This once-a-year assessment is required, where biannual fees will be required based on this assessment. A biannual payment of 50% of this assessment will be due, once on or before January 1, 2016 and again on or before July 1, 2016.

The CATPA fee assessment must include all motor vehicle policies, including any vehicle with the physical characteristics that require registration and licensing, regardless of whether the vehicle is actually registered and licensed in Colorado. This may extend to vehicles registered and licensed in another state. *Ranger v. Fortune Ins. Co.*, 881 P.2d 394 (Colo. App. 1994). {§10-4-601 C.R.S. Footnotes}
