Re: Request for interim study committee regarding 911 oversight, accessibility, and outage reporting

Date: 04/15/2016

Information Required Pursuant to Section 2-3-303.3, C.R.S.

I hereby request that an interim study committee be formed during the interim between the 2016 and 2017 legislative sessions to study 911 oversight, accessibility, and outage reporting. The interim study committee would be named the "911 Oversight, Accessibility, and Outage Reporting Interim Study Committee."

The policy issues to be studied are 911 oversight, accessibility, and outage reporting.

The interim study committee would need to meet 3 to 4 times to study the issues.

The interim study committee should consist of 6 members of the General Assembly selected as follows:

- 3 members of the Senate, with 2 appointed by the President of the Senate and 1 appointed by the minority leader of the Senate.
- 3 members of the House of Representatives, with 2 appointed by the Speaker of the House of Representatives and 1 appointed by the minority leader of the House of Representatives.

The chair and vice-chair will be appointed upon agreement of the Senate President and Speaker of the House of Representatives.

The appointments must be made by June 1, 2016.

The interim study committee will need three bills to address the issues it studies.

Additional Information Related to the Interim Study Committee Request

The Department of Public Safety, Department of Local Affairs, and the Department of Regulatory Agencies may be called upon to provide assistance or information to the interim study committee.

Thank you for your consideration of this request.
