STATE OF COLORADO
DEPARTMENT OF AGRICULTURE
700 KIPLING STREET, SUITE 4000

MARKETING ORDER REGULATING THE HANDLING OF CORN PRODUCED FOR
GRAIN IN THE STATE OF COLORADO

WHEREAS, it is provided in The Colorado Agricultural Marketing Act of 1939 (the "Act"), Title 35, Article 28, Colorado Revised Statutes et. Seq, as follows:

35-28-105 (1). The Commissioner of Agriculture shall administer and enforce the provisions of this article and shall have and may exercise any or all of the administrative powers conferred upon the head of a department of the state. In order to effectuate the declared purposes of this article, the Commissioner of Agriculture is hereby authorized to issue, administer, and enforce the provisions of marketing orders.

(2). Whenever the Commissioner has reason to believe that the issuance of a marketing order will tend to effectuate the declared policy of this article with respect to any agricultural commodity, either upon his own motion or upon application of any producer or handler of such commodity, he shall give due notice of and an opportunity for a public hearing upon a proposed marketing order.

(3). Due notice of any hearing called for such purpose shall be given to all persons, who may be directly affected by any action of the Commissioner pursuant to the provisions of this article and whose names appear upon lists to be filed by such agricultural industry with the Commissioner. Such hearing shall be open to the public. All testimony shall be received under oath, and a full and complete record of all proceedings at any such hearing shall be made and filed by the Commissioner at his office.

(4). In order to effectuate the declared policy of this article, the Commissioner has the power, after due notice and opportunity for hearing, to enter into marketing agreements with processors, distributors, producers, and others engaged in the handling of any agricultural commodity, regulating the preparation, sale and handling of such agricultural commodity, which said marketing agreement shall be binding upon the signatories thereto exclusively. The execution of such marketing agreement shall in no manner affect the issuance, administration or enforcement of any marketing order provided for in this article. The Commissioner may issue such marketing order without executing a marketing agreement, or may execute a marketing agreement without issuing a marketing order covering the same commodity. The Commissioner, in his discretion, may hold a concurrent hearing upon a proposed marketing agreement and a proposed marketing order in the manner provided for giving due notice and opportunity for hearing for a marketing order as provided in this article;

and

WHEREAS, the Commissioner of Agriculture having reason to believe that the issuance of a Corn Marketing Order would tend to effectuate the declared policy of the Act with respect to corn produced in Colorado, pursuant to the provisions of the Act, gave due notice thereof and held public hearings, covered by this order during the weeks of July 20th and 27th, 1987; and

WHEREAS, the Commissioner of Agriculture finds, pursuant to the provisions of the said Act, that the marketing order regulating the handling of corn produced in the State of Colorado will tend to:

Reestablish or maintain prices received by producers for corn at the level which will give to such corn a purchasing power, with respect to the articles and services which farmers commonly buy, equivalent to the purchasing power of such corn in the base period.

Approach such quality of purchasing power at as rapid a rate as is feasible in view of the market demand for such corn.

Prevent the unreasonable or unnecessary waste of agricultural wealth because of improper preparation of such corn for market, lack of uniform grading and inspection, or excessive shipments to market.

Protect the interests of consumers of such corn, by exercising the powers of this Act only to such extent as is necessary to establish the equality of purchasing power described in subsection (1) of this section; and

WHEREAS, in making the findings herein set forth the Commissioner of Agriculture has taken into consideration any and all facts available to him with respect to economic factors specified in Section 38-38-106(2) of the Act; and

WHEREAS, this Marketing Order regulating the handling of corn produced in the state of Colorado embraces all persons of a like class in the state of Colorado who are engaged in the specific and distinctive agricultural industry regulated by this Marketing Order;

NOW, THEREFORE, it is ordered by the Commissioner acting under the authority vested in him by the Act, that such handling of corn produced in the state of Colorado, from and after October 1, 1987, shall be in conformity to and in compliance with the terms and conditions of this Order.

At such time, the Committee shall also submit a detailed description of such proposed program, together with a budget of the expenses that will necessarily be incurred in connection with the execution, operation and administration of such program, and a rate of assessment, based upon the gross quantity of corn handled, to be levied against each producer for the purpose of providing a fund to defray such expenses.
- (2) Advertising and sales promotion plans. Whenever the Corn Administrative Committee deems it advisable that a plan be established for advertising and sales promotion to create new or larger markets for corn produced in Colorado, it may submit to the Commissioner a recommendation for the establishment of such plan and the information upon which such recommendation is based. At the time of submitting such recommendation and information, the Committee shall prepare and submit therewith a detailed description of such proposed plan, together with a budget of the expenses that will necessarily be incurred in connection with the execution, operation and administration of such plan and rate of assessment, based upon the gross quantity of corn handled, to be levied against each producer, for the purpose of providing a fund to defray such expenses.

(b) ESTABLISHMENT

Whenever the Commissioner finds from the recommendation and information submitted by the Corn Administrative Committee, or from other available information, that the establishment of a research program and/or an advertising and sales promotion plan will tend to effectuate the declared purposes of the Act, he shall prepare and issue such program and/or a plan based upon the program and/or plan submitted and recommended by the Committee.

(c) FUND FOR EXPENSES AND RATE OF ASSESSMENT

- (1) Upon the issuance of any such program or plan, the Commissioner may approve a budget and rate of assessment based upon the recommendation and information submitted in connection therewith by the Corn Administrative Committee, and shall promptly notify the Committee of his action thereon.
- (2) Each producer's pro-rata share of the expenses that may be incurred during a fiscal year in connection with any such program or plan established pursuant to this section shall be based upon the rate of assessment approved by the Commissioner and shall be that proportion of such expenses which the total quantity of corn sold by each producer during such fiscal year is of the total quantity of all corn sales by all producers during said fiscal year and shall be remitted by such producer as otherwise provided in Section IV(c).

- (3) The rate of assessment may be adjusted from time to time by the Commissioner as he finds necessary to defray the estimated or actual expenses which may be incurred in connection with any such program or plan.

SECTION IV

EXPENSES AND ASSESSMENTS

(a) EXPENSES

The Corn Administrative Committee is authorized to incur such expenses as the Commissioner finds are reasonable and likely to be incurred by such Committee for its maintenance and functioning hereunder. No later than thirty (30) days prior to the beginning of each fiscal year, the Committee shall prepare and submit to the Commissioner a proposed budget of expenses and a proposed rate of assessment for such fiscal year. The funds to cover such expenses shall be acquired by levying of assessments as provided in this section.

(b) ASSESSMENTS

There is hereby levied on all corn subject to the provisions of this marketing order, an assessment, to raise funds to cover the expenses described above. The rate of assessment shall be established by the Commissioner and may be changed from time to time. Each producer's pro-rata share shall be based upon the rate of assessment fixed by the Commissioner, and shall be that proportion of such expenses which the total quantity of corn sold by such producer is of the total quantity of corn sold by all producers during said fiscal year. No assessments covering the budgets established by the Committee under this Order shall exceed one (1) cent per bushel for corn produced in any one fiscal year in Colorado. Any producer may request and receive a refund of assessments paid pursuant to regulations established by the Commissioner.

(c) COLLECTION OF ASSESSMENTS

- (1) All assessments made and levied pursuant to the provisions of this marketing order shall be paid by the respective producers, who shall be primarily liable therefore. Such assessments shall be collected from the producers by the first handler thereof, warehouse, or elevator operator, and such handler shall remit to the Commissioner upon demand all assessments so collected. Any handler within the state of Colorado who fails or neglects to collect such assessment from any producer or to remit such collection to the Commissioner as herein provided shall be deemed guilty of a violation of this Order.
- (2) In case of a pledge or mortgage of corn as security for a loan made privately under the Federal Price-Support Program, the assessment shall be deducted from the proceeds of such loan at the time of the disbursement of the loan. In case of an overage of corn at the time of the settlement of the loan, the assessment shall be paid on the overage. In case of a shortage at the time of settlement of the loan, the over-payment will be credited to the producer's account. In case of purchase agreements under the Federal Price-Support Program, the assessment shall be made at the time of final settlement. Corn stored in private or public storage within the state shall not be liable for assessment until sale is made or loan secured.
- (3) Any producer who by virtue of his activities or circumstances is a "handler" as herein defined, or who shall sell, ship, or otherwise dispose of corn to a handler or

other person or store corn outside the jurisdiction of this Order, shall forthwith remit to the Commissioner the full amount of the assessment due. Any producer who fails to pay or remit such assessment as herein provided shall be deemed guilty of a violation of this Order.

SECTION V

PRODUCER ACCOUNTS CREDITED OR DEBITED

The Corn Administrative Committee shall maintain adequate records to provide for the distribution of funds in the event of termination of the Order or in the event that the Commissioner orders funds to be refunded.

SECTION VI

DEPOSITS

(a) DEPOSITS AND DISBURSEMENTS

Any monies collected by the Commissioner pursuant to this marketing order shall be deposited in a bank or banks, or other depository, approved by the State Treasurer, allocated to this marketing order, and disbursed by the Commissioner only for the necessary expenses incurred by the Corn administrative Committee and the Commissioner and approved by the Commissioner. Funds so collected shall be deposited and disbursed in conformity with appropriate rules and regulations prescribed by the Commissioner; all such expenditures by the Commissioner shall be audited at least annually, and a copy of such audit shall be delivered within thirty (30) days after the completion thereof to the Governor and the Commissioner of Agriculture.

(b) DISTRIBUTION OF FUNDS REMAINING

Any monies remaining in such fund, at the discretion of the Commissioner, may be refunded at the close of any marketing season upon a pro-rata basis, to all persons from whom assessments are collected, or such portion of such monies as may be recommended by the Corn Administrative Committee and approved by the Commissioner may be carried over into the next succeeding marketing season whenever the Commissioner finds that such monies may be required to assist in defraying the cost of operating this Order in such succeeding season, provided, that upon termination by the Commissioner of this marketing order, any and all monies remaining and not required by the Commissioner to defray the expenses of this marketing order, shall be returned by the Commissioner upon a pro-rata basis, to all persons from whom assessments were collected; provided, further, however, that if the Commissioner finds that the amounts so returnable are so small as to make impractical the computation and remitting of such pro-rata refund to such persons, the Commissioner may use the monies in such fund to defray the expenses incurred by him in the formulation, issuance, administration or enforcement of any subsequent marketing order for such commodity.

SECTION VII

REPORTS AND RECORDS

The Commissioner may require any and all producers and handlers to maintain books and records reflecting their operations as such and to furnish to the Commissioner, or his duly authorized or designated representatives, such information as may be from time to time requested by them relating to such operations, and to permit the inspection by said Commissioner or his designated representatives of such portions of such books and records as relate to such operations.

SECTION VIII

CORN NOT SUBJECT TO ASSESSMENT

Nothing contained herein shall be construed to authorize any limitation of the right of any person to ship corn for consumption by a charitable institution or for distribution for relief purposes or for distribution by a relief agency, not including purchases by an agency of the United States government. - (3) The provisions hereof shall, in any event, terminate whenever the provision of the Act authorizing them ceases to be in effect.

(c) PROCEEDING AFTER TERMINATION

- (1) Upon the termination of the provisions hereof, the Commissioner may appoint the members of the Corn Administrative Committee then functioning to continue as joint trustees for the purpose of liquidating the affairs of the Corn Administrative Committee of all property then in the possession or under the control of the Corn Administrative Committee, including property not delivered at the time of such termination.
- (2) The trustees may continue in such capacity until discharged by the Commissioner, and shall from time to time account for all receipts and disbursements or deliver all funds and property on hand, together with all books and records of the Corn Administrative Committee and the joint trustees to such person as the Commissioner may direct; and shall, upon request of the Commissioner, execute such assignment so other instruments necessary or appropriate to vest in such person full title to all funds and claims vested in the Corn Administrative Committee or the joint trustees pursuant hereto.

Unless otherwise expressly provided by the Commissioner, the termination hereof or of any regulation issued pursuant hereto, or the issuance of any amendment to either thereof, shall not

(a) affect or waive any right, duty, obligation or liability which shall have arisen or which may thereafter arise in connection with any provision hereof or any regulation issued hereunder, or (b) release or extinguish any violation hereof or of any regulation issued hereunder, or (c) affect or impair any rights or remedies of the Commissioner or of any other person with respect to any such violation.
