

Program Goal: Participants receive federal matching funds (reimbursement) for providing health services to Medicaid eligible Individualized Education Program (IEP) or Individualized Family Service Plan (IFSP) students who attend public school.

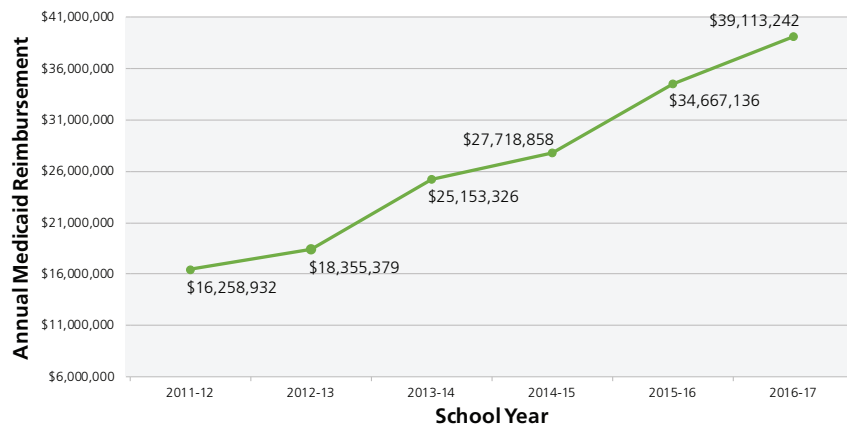

There are two ways to receive federal reimbursement under the School Health Services (SHS) Program:

OPTION ONE: Direct Service (DS), Targeted Case Management (TCM), Specialized Transportation

Services Include: Physician, Speech-language, Nursing, Audiology, Personal Care, Occupational Therapy, Orientation, Mobility and Vision, Physical Therapy, Psychology/Counseling, Social Work, Case Management, Transportation

Districts must participate in DS and may choose to participate in the remaining service categories

Who is eligible to participate?

Any public school district, Board of Cooperative Educational Services (BOCES), or state educational institution that serves students in kindergarten through twelfth grade may participate.

Benefits To Program Participation:

The money generated can be used to fund the district's unmet health needs for all students, as identified in your district's Local Services Plan (LSP). For example, some districts have paid for:

- Enhanced clinic aid or nurse services;
- Dental, vision, and pharmacy vouchers to uninsured/underinsured students;
- Outreach and enrollment assistance to uninsured families;
- Health supplies and equipment; and
- Enhanced physical and mental health services.

Requirements of Program Participation:

- Have a LSP approved by the Colorado Department of Education (CDE);
- Have a contract with the Department of Health Care Policy and Financing;
- Enroll as a Medicaid provider in the Medical Assistance Program;
- Participate in the Random Moment Time Study (RMTS); and
- File appropriate financial and statistical reports on a quarterly and annual basis.
