

HB 10-332 Colorado Medical Clean Claims Transparency & Uniformity Task Force

Subgroup Recommendation

Topic	NCCI Mutually Exclusive edits with/without modifier override
Date	6/21/2011
Subgroup	NCCI Sub-group – Beth Wright - Chairperson
Issue (1-2 sentences)	There are two categories of edits within NCCI, comprehensive and mutually exclusive. The sub-group has analyzed the mutually exclusive edit set and is ready to make a recommendation to the Task Force.
RECOMMENDATION	The NCCI sub-group recommends to accept NCCI mutually exclusive edits with or without modifier override as part of the base edit package.
Reason/basis for recommendation (5-6 sentences)	Recommendation based on sub-group review of the top frequency mutually exclusive edits. Edits analyzed include those with modifier override capability and those without modifier override capability. Sub-group determined the edits reviewed were based on common coding principles and were supported.
