Overview of 2017 Report

- Top Jobs
- In-Demand Skills
- Sector-Strategies
- 2-Gen Approach
2017 Recommendations

- Accelerate and deepen partnerships among education, business and industry to develop Colorado talent.
- Ensure that Coloradans have the skills they will need to succeed and grow the state economy in the future.
- Mobilize Colorado’s untapped talent potential to close the skills gap and connect people to careers that lead to the middle class.
- Promote equitable growth and opportunity across the state.
Form Idea Groups
What would you have changed from the 2017 report?

- Regional disaggregated data for jobs
- Shorten it
- Too long

- Regional data
- shorten it
- Spotlight intersection of housing and workforce needs

- More focus
- Have a short version AND a longer version ....
- More graphs, picto-charts to share the data and story.
What would you have changed from the 2017 report?

- Relate to how strategies are impacting people-quotes, testimonials, case studies etc.
- Cut it in half
- Please do not shorten it
- Clear focus and purpose
- Should have an executive summary that shares the most important data and stories for those that won't read the whole report.
- Be sure the report remains a living document due to the speed of change.
- It's predicted that we will see more change in the next 20 years than we've seen in the last 300. Need to have a lens into where we are going.
- Make it actionable
- Acknowledge in-demand jobs that don't pay a living wage (therefore not a top job)
What would you have changed from the 2017 report?

- Make it a web experience rather than a paged document
- Love having it available as a .pdf
- Include gender pay inequity not just equitable opportunity.
What is new for the 2018 report?

- Stronger framework for defining top jobs
- Stories through data
- New methodology for higher performer skills
- Regional visuals
- Tie into TalentFOUND dashboard
What would you like to see from the report this year?
