SUBJECT: Source Water Protection Plan

Just a quick update on the Source Water Protection Plan...

It's nearly finished! The draft is available here:

[https://www.dropbox.com/sh/ve699sdimn2jqei/AADCj5xy7i4PJ\\_4ef919tPdWa?dl=0](https://www.dropbox.com/sh/ve699sdimn2jqei/AADCj5xy7i4PJ_4ef919tPdWa?dl=0)

Please take a close look at the plan and submit any revisions and/or suggestions you have to Colleen by **September 9, 2015**.

The next SWP meeting, for the review of the final draft, is **September 16, 2015**. If all changes are satisfactory to those in attendance, you can expect to approve the plan at your October or November meeting, so please take some time to review it...

Also, you may notice that the cover page photo doesn't happen to be of Creede. Does anyone have a great picture of the area from maybe the pinnacles down through the valley or something similar? You'll get your name in the plan! Please send to Randi if you do...

This will be another great thing to check off our list!
