Defense Logistics Agency Account Management and Provisioning System (AMPS)

U.S. Government (USG) Information System (IS) - Use and Consent

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

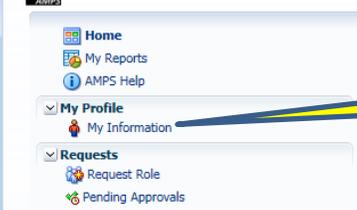

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense intelligence (CI) investigations.
- At any time, the USG may inspect and search the contents of your account and any device attached to this IS.
- Communications using, or data stored on, this IS may be intercepted, monitored, collected, stored, disseminated, disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., encryption and access controls) to protect USG interests—not for your personal benefit or privacy.
- Notwithstanding the above, use of this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of privileged communications or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

At this screen, the Use and Consent screen, click on OK to continue.
