

Average Acquisition Cost (AAC) Inquiry Worksheet

Overview

This form is intended to report any discrepancies between the acquisition cost for a drug and its current Average Acquisition Cost (AAC) rate.

This form is to be completed by a pharmacy and emailed to Colorado.SMAC@HCPF.state.co.us or faxed to the Department at 303-866-3590 with the header 'AAC Inquiry'. With the completed AAC Inquiry Worksheet, a pharmacy must also include a recent invoice for the drug in question.

Pursuant to 8.800.13.D, the Colorado Department of Health Care Policy and Financing (the Department) will have up to five state working days to review the drug and provide a response to the pharmacy. If the AAC rate for the inquired drug requires revision, the Department will have five additional state working days from the date the response was provided to the pharmacy to update the AAC rate.

Please send any questions to Colorado.SMAC@HCPF.state.co.us.
