What is an ALR?

- **All Assisted Living Residences (ALR) in Colorado must be licensed by the state through the Department of Public Health and Environment**
- **ALRs serve residents who have private health insurance or pay out-of-pocket**
- **ALRs that are not Medicaid certified cannot bill for services provided to residents who receive ONLY Medicaid benefits**

COLORADO

Department of Health Care
Policy & Financing

What is an ACF?

- ALRs who wish to provide services to Medicaid recipients must become Medicaid certified
- Medicaid certified ALRs are called **Alternative Care Facilities (ACFs)**
- Completing this training is **one step** in the process of becoming an ACF

More on Medicaid

Medicaid is an optional program for States:

- States can decide if they want to participate, though all States currently do participate.
- Medicaid is a federal program, but it is administered by individual States.
- While there are some basic requirements, States have some **flexibility** to design how their Medicaid system works in their State.

COLORADO

Department of Health Care
Policy & Financing

More on Medicaid

Once a state chooses to participate in Medicaid, certain populations **must be included**:

- Children
- Low-income families
- Pregnant women
- Elderly individuals
- Individuals with disabilities
- Adults without dependent children

If an individual in one of these categories meets eligibility requirements, that person is **entitled** to receive Medicaid services.

COLORADO

Department of Health Care
Policy & Financing

Colorado's State Plan

- Each State defines its Medicaid program through a contract with the Centers for Medicare and Medicaid Services (CMS), which is the federal agency that oversees Medicaid.
- That contract is called the “State Plan.”
- The **State Plan** does 3 key things:
 - Establishes **eligibility** standards
 - Determines **type, amount, scope and duration** of medical services
 - Sets provider reimbursement rates

HCBS Waivers

- In addition to State Plan services, there are also Home and Community Based Services (HCBS) Waiver programs.
- These waivers provide additional Medicaid benefits, including ACF Services, to specific populations who meet special eligibility criteria.
- HCBS Waivers are Federally authorized by the Social Security Act 1915c.

COLORADO

Department of Health Care

Adult HCBS Waivers in Colorado

- Persons who are Elderly, Blind and Disabled (EBD)
- Community Mental Health Supports Waiver (CMHS)
(Only the EBD and CMHS Waivers are eligible for ACF services)
- Persons with Brain Injury
- Persons with Developmental Disabilities
- Persons with Spinal Cord Injury
- Supported Living Services Waiver

Additionally, Colorado has five children-specific waivers.

Medicaid

Medicaid serves various populations, but only elderly or individuals with disabilities can qualify to receive ACF services by:

- Meeting functional eligibility/level of care requirements
- Meeting targeting criteria for **one** of the applicable waivers - Elderly, Blind and Disabled (EBD) or Community Mental Health Services (CMHS)

More Information on HCBS Waivers

- Waiver programs provide all State Plan Medicaid benefits **plus additional** Medicaid benefits to specific populations who meet special eligibility criteria.
- Clients must **meet specific waiver-related** financial, functional, and program criteria to access services.
- To utilize waiver benefits, clients must be willing to receive services **in their homes or communities** (e.g., ACF, private home, group home, etc.)
- HCBS Waivers pay for ACF services.
- Residents **must pay Room and Board** to the ACF.
- [HCPF](#) sets a per diem amount for services provided by the ACF (e.g., services like meal preparation, housekeeping, etc.)

ACF Responsibilities

COLORADO

Department of Health Care
Policy & Financing

Provider Eligibility

ACF Providers must maintain any license, permit, certification, insurance or bond as required by state or local authority.

Provisional certification may be granted at the discretion of the Department ([HCPF](#)) for up to 60 days.

Certification will be denied when a Provider is unable to meet, or adequately correct, licensure and/or certification standards.

Rule Citation: 10 CCR 2505-10, 8.495.5.B and 8.495.5.D

See [Resources and Glossary](#) for more information on [locating Medicaid Rules](#)

COLORADO

Department of Health Care
Policy & Financing

Provider Eligibility

ACF Providers must notify the Department ([HCPF](#)) within five working days when any required license, permit, certification, insurance or bond has a change in status, including any suspension, revocation or termination.

The Department ([HCPF](#)) may terminate or not renew the Provider Agreement if a Provider is in violation of any applicable standards or regulations.

(8.495.5.B and 8.495.5.D)

Resident Pre-Admission Assessment

Before moving into an ACF, the potential resident and their team collaborates in order to identify the resident's strengths, needs and desires to determine if the ACF is an appropriate setting.

The team must include the resident along with any or all of the following:

- Resident's family member(s) and/or guardian
- The ACF administrator or their representative
- The [SEP](#) case manager
- Any other appropriate [case managers](#) or caregivers

(8.495.2.B)

COLORADO

Department of Health Care
Policy & Financing

Appropriateness of Medicaid Client Placement

An ACF must **NOT** admit any resident who:

- Needs skilled services regularly
 - Skilled services can only be provided on an intermittent basis by a certified Medicaid home health provider
- Is incapable of self-administration of medication, and the facility does not administer medications
- Is consistently **unwilling** to take medication prescribed by a physician

(8.495.6.1)

Appropriateness of Medicaid Client Placement

An ACF must NOT admit any resident who:

- Is diagnosed with a substance abuse issue and refuses treatment by appropriate mental health/medical professionals
- Has an acute physical illness which cannot be managed through medications or prescribed therapy
- Has a seizure disorder that is not adequately controlled

(8.495.6.1)

COLORADO

Department of Health Care
Policy & Financing

Appropriateness of Medicaid Client Placement

An ACF must NOT admit any resident who:

- Exhibits behavior that:
 - Disrupts the safety, health and social needs of the home
 - Poses a physical threat to self or others and fails to respond to interventions, as outlined in the resident's [care plan](#)
 - Indicates an unwillingness or inability to maintain personal hygiene under supervision or with assistance
 - Is consistently disoriented to time, person and place to such a degree he/she poses a danger to self or others and the ACF does not provide a [secured environment](#)

ACF Resident Benefits

Depending on the resident's needs as documented in the [Care Plan](#), below are some of the assistance/services ACFs may provide to residents in ACFs:

Bathing

Mouth care

Dressing

Ambulation

Bladder/bowel care

Routine housecleaning

Bed making

Skin, hair and nail care

Shaving

Feeding

Transfers and positioning

Accompanying

Shopping/meal preparation

Laundry

Important: ACF Administrator is responsible for ensuring that all staff are adequately trained to provide assistance/services offered by your ACF.

ACF Resident Rights

ACF residents have the same rights as all American citizens, however, Colorado law (Rules) also define additional rights.

ACF House Rules are important, but they must not restrict the rights of ACF residents.

Note: Rules for client rights are in the process being changed based on Federal Regulation. A transition plan will published on the following HCPF website to provide details on compliance.

ACF Resident Rights

An ACF must foster the independence of the resident while **promoting** each resident's individuality, choice of care, and lifestyle.

The resident's choice to live in an ACF shall:

- afford the resident the opportunity to **responsibly contribute** to the home in meaningful ways, and
- **avoid reducing** personal choice and initiative.

The resident's individual behaviors **shall not negatively** impact the harmony of the ACF.

(8.495.4.A)

COLORADO

Department of Health Care
Policy & Financing

ACF Resident Rights

Residents have the right to be informed of:

- Their rights as an ACF resident
- All ACF “house rules” or policies
- An ACFs policy regarding advance directives

The policy for resident rights must be posted in a conspicuous place in the ACF.

Rules and policies must apply consistently to everyone, as appropriate, (e.g., administrators, staff, volunteers, residents, visitors, etc.)

(8.495.4.B - D)

COLORADO

Department of Health Care
Policy & Financing

ACF Resident Rights

Residents have the right to:

- Decorate and use personal furnishings in their bedrooms (in accordance with House Rules;)
- Lock their doors and control access to their quarters, if they are determined capable of doing so;
- Unscheduled access to food and food preparation areas (if determined capable to appropriately handle cooking activities;)
- A choice of semi-private or private rooms, as well as a choice of roommate. The ACF must accommodate roommate choices, within reason.

(8.495.4.E - H)

COLORADO

Department of Health Care
Policy & Financing

ACF Resident Rights

Residents are not required to perform household or other tasks, unless the need for [Life Skills Training](#) is documented in the [Care Plan](#).

Residents have the right to possess and self-administer medications with a physician's written order, as appropriate.

(8.495.4.I - J)

COLORADO

Department of Health Care
Policy & Financing

ACF Service Standards

The facility shall provide Protective Oversight to residents.

Providers shall:

- **Not discontinue or refuse** services to a resident unless documented efforts have been ineffective to resolve the conflict leading to the discontinuance or refusal of services.
- **Have written policies and procedures** for employment practices.
- **Maintain and follow** written policies and procedures for the administration of medication in accordance with the rules, if the facility administers medication to residents.

(8.495.6.F)

COLORADO

Department of Health Care
Policy & Financing

ACF Service Standards

Providers shall maintain the following records/files:

- Personnel files for all staff and volunteers shall include:
 - Contact information, date of hire, job description, chain of supervision and performance evaluation(s).
 - For staff with direct resident contact, including food handlers, evidence of pre-hire and annual tuberculin (TB) testing or chest x-ray, where appropriate.
 - An annual influenza vaccination is required of all staff.
- Resident files shall include the team assessment and [care plan](#) as outlined in the rules.

(8.495.6.F)

COLORADO

Department of Health Care
Policy & Financing

ACF Service Standards

The facility shall:

- Ensure that its staff have a clear understanding of all regulations pertaining to the facility's licensure and certification by the State of Colorado;
- Encourage and assist resident's participation in activities within the ACF community and the wider community, when appropriate;
- Follow discharge procedures in CDPHE rules, as well as their own discharge policy;
- Ensure the resident is safely discharged.

(8.495.6)

In the future, all ACFs must have a policy in place for resident eviction protection, in response to the federal HCBS rule.

COLORADO

Department of Health Care
Policy & Financing

ACF Service Standards - QMAP

If an ACF resident chooses to receive assistance with medications beyond reminders, then the ACF must have a Qualified Medication Administration Person (QMAP) on the team to provide that assistance.

Staff who successfully complete a QMAP course should be able to:

- Administer medications according to written physician's orders
- Take extra care with Controlled Substances and Narcotics
- Maintain proper documentation of the administration of both prescription and non-prescription drugs
- Use proper techniques when administering medications by the various routes
- Safely and accurately fill and administer medications to and from medication reminder boxes with oversight from a licensed person or qualified manager

ACF Staffing Standards

Permanently document the 24-hour day:

- Divided into two 12 hour blocks (daytime and nighttime) and disclose in the written resident agreements
 - 1 staff to 10 residents - daytime
 - 1 staff to 16 residents - nighttime
 - 1 awake staff to 6 residents in a secured environment

Staffing waivers are granted for **nighttime hours only**, and they become null and void with any change of ownership or licensed beds change.

Any deficiencies of either fire safety or patient care will result in a **denial or revocation** of staffing waiver.

ACF Environmental Standards

Maintain a home-like quality & feel for all residents
at all times

- Private telephone
- Private area for visitors for those in shared bedroom
- Common areas access that is not through another resident's bedroom
- Battery or generator-powered alternative lighting system in the event of a power failure
- Heated to at least 70 degrees during the day and 65 degrees at night
 - Bedroom temperatures less than 85 degrees
 - During the summer, facility must provide at least one common area that can accommodate all residents where the temperature is no more than 76 degrees

(8.495.6.E)

COLORADO

Department of Health Care

ACF Environmental Standards

- ACF must maintain a schedule of daily recreational and social activities available in a given month:
 - Schedule must be posted in conspicuous place
 - Activities must be offered to all residents
 - Encourage activities within the ACF and the community
- Appropriate reading material must be provided.
- Nutritious food and beverage must be available at all times.

(8.495.6.E)

COLORADO

Department of Health Care
Policy & Financing

Secured Environment Standards

Documentation must exist to support the reason why the treatment regimen supports the need for a resident to be cared for in a secured environment.

- An ACF providing a secured environment may be licensed for a maximum of 30 secured beds.
 - If additional beds are needed, a waiver may be granted by the Department (HCPF) if provider can justify the need and ensure the health, safety and quality of care of the residents.

(8.495.6.H)

Secured Environment Standards

Other requirements for [secured environments](#):

- Provide an environment that promotes independence and minimizes agitation through the use of visual cues and signs.
- Doors to bedrooms shall not be locked unless the resident is able to manage the key independently.
- Provide a secured outdoor area that is accessible without staff assistance. Outdoor area should be level, well maintained and appropriately equipped for the residents.

(8.495.6.H)

COLORADO

Department of Health Care
Policy & Financing

Reporting Responsibilities

In order to be in compliance, ACFs must notify the resident's SEP case manager within 24 hours of any change of resident condition, incident or situation that should be communicated to other interested parties.

Notify the [SEP](#) case manager of:

- any planned or unplanned [non-medical leave](#) (e.g., family visits or field trips) greater than 24 hours.
- any planned or unplanned [programmatic leave](#) (e.g., therapeutic and/or rehabilitative) greater than 24 hours.

CDPHE - Occurrence Reporting

All health care entities licensed by CDPHE are required to report occurrences to CDPHE before the end of the next business day after staff is aware of the occurrence.

Reportable occurrences include:

- unexplained deaths
- brain injuries
- spinal cord injuries
- severe burns
- missing persons
- physical abuse
- verbal abuse
- sexual abuse
- neglect
- misappropriation of property
- diverted drugs
- malfunction/misuse of equipment

HCPF - Critical Incident Reporting

All ACFs certified by Medicaid are required to report critical incidents to their local [Single Entry Point \(SEP\)](#) within one business day

- Critical Incidents include occurrences of abuse, neglect, exploitation, or unexpected death.
- A critical incident (as reported to a SEP) may also be classified as an occurrence (as reported to CDPHE); ACFs may need to report the same incident to both agencies.
- Providers have the responsibility to report any crime or suspected crime to Law Enforcement Authorities, as well as to CDPHE and the SEP.
- ACFs should report all incidents of abuse, neglect and exploitation of an at-risk adult by calling the Adult Protective Services (APS) intake number for the County Department of Human/Social Services where the at-risk adult lives. (8.495.6.B)

Documentation Responsibilities

- All documentation must be kept for six years, even if there is a change of ownership. (8.495.6.A and 8.130.2.D)
- Document any additional monies charged to the resident or his/her family and/or guardian.
- Additional charges:
 - Must not be for services covered by Medicaid
 - Must be clearly delineated in the resident agreement
 - Must be fully refunded or withholdings clearly defined on the day of discharge

(8.495.6.D)

Change of Ownership

Providers must provide written notice to the Department (HCPF) of intent to change ownership no later than 30 days before the sale of the facility.

The new owner **does not** automatically become a Medicaid Provider.

They must complete the Medicaid Provider enrollment process and meet all licensing, certification or approval processes.

All documentation must be kept for **six years**, even if there is a change of ownership. (8.130.2.D)

Ombudsman Program

An Ombudsman is a designated facilitator who:

- Provides **confidential** assistance in resolving grievances and disputes.
- **Investigates** complaints, reports findings, and mediates fair settlements between individuals, group of individuals, and institutions or organizations.

How to Submit Claims

- Once enrolled as a Medicaid provider and after attending billing training *:
 - ACF providers can submit claims electronically through the Colorado Medical Assistance Program Web Portal <https://sp0.hcpf.state.co.us/Mercury/login.aspx>
 - * [See Resources for more info](#)

Submitting Claims

- Before submitting a Medicaid claim, an ACF must obtain a **Prior Authorization Request (PAR)** from the SEP, which authorizes services.
- Claims must be submitted **within 120 days** from the date of service.

COLORADO

Department of Health Care
Policy & Financing

Reimbursement

- Medicaid reimbursement for services
 - 1 unit = 1 day of care
 - 2013/2014 Per Diem = \$49.95
 - Billed through claims process via Web Portal
- Room and board payment
 - Paid by resident for non-Medicaid services
 - 2013/2014 Room & Board = \$651.00 / month
- Non-Medical Leave/Programmatic Leave
 - A maximum of 42 days in a calendar year is allowed for Non-Medical Leave and Programmatic leave, combined.

COLORADO

Department of Health Care
Policy & Financing

Non-billable Services

- An ACF cannot bill for services while the resident is in a hospital or Nursing Facility
 - Though unable to bill Medicaid when the resident is in a hospital or Nursing Facility, the ACF may still collect Room and Board from the resident
- Cannot bill for services that are duplicative of what's included in the per diem rate (e.g., Personal Care/Homemaker, electronic monitoring, non-medical transportation, etc.)
- The ACF cannot seek supplemental Medicaid payment from resident

How to Find ACF Medicaid Rules

State laws that govern ACFs are called “Rules”

CCR Title: 10 CCR 2505-10, Section 8.400 Medical Assistance

ACF Rules: 8.495 ALTERNATIVE CARE FACILITIES [Eff. 03/30/2009]

(EBD Rules: 8.485 and 8.487, CMHS Rules: 8.509)

Full text of the ACF Medicaid Rule can be found online at:

[Colorado.gov/hcpf/department-program-rules-and-regulations](https://colorado.gov/hcpf/department-program-rules-and-regulations)

- Click on the rule section to view official version of rule on the Secretary of State’s website.

Glossary

- **Care Plan**

- Written description in lay terminology of the functional capabilities of an individual, the individual's need for personal assistance, and the services to be provided by the facility in order to meet the individual's needs. May also mean a service plan for those facilities which are licensed to provide services specifically for the mentally ill.

- **Case Managers**

- Work at SEP agencies and help determine which programs an individual may be eligible for; facilitate care planning; and communicate regularly with clients to ensure needs are met.

- **Colorado Medical Assistance Program**

- Department of Health Care Policy and Financing's fiscal agent. Manages provider enrollment and billing. Provides mandatory billing training.

Glossary

- **CDPHE**
 - Colorado Department of Public Health and Environment
- **Functional Assessment**
 - Case Managers use the ULTC 100.2 assessment tool to assess:
 - A resident's strengths and needs in Activities of Daily Living (e.g., bathing, dressing, cooking, etc.)
 - A resident's need for supervision
 - Any special circumstances the resident may have
- **HCPF**
 - Colorado Department of Health Care Policy and Financing
- **Life Skills Training**
 - Services designed and directed at the development and maintenance of the resident's ability to independently sustain himself/herself physically, emotionally, and economically in the community.

Glossary

- **Non-Medical Leave Days**

- Days of leave from the ACF by the resident for non-medical reasons such as family visits or field trips.

- **Programmatic Leave Days**

- Days of leave prescribed for a Medicaid client by a physician for therapeutic and/or rehabilitative purposes.

- **Protective Oversight**

- Monitoring and guidance of a resident to assure his/her health, safety, and well being. Includes, but is not limited to: monitoring the resident while on the premises, monitoring ingestion and reactions to prescribed medications, if appropriate, reminding the resident to carry out activities of daily living, and facilitating medical and other health appointments. Includes the resident choice and ability to travel and engage independently in the wider community, and guidance on safe behavior while outside the ACF.

Glossary

- Secured Environment

- Any grounds, building or part thereof, method or device that prohibits free egress of residents. An environment is secured when the right of any resident thereof to move outside the environment during any hours is limited.

- SEP Agencies

- Single Entry Point agencies provide case management and care planning as well as providing referrals to other resources. [Find a SEP in your region.](#)
