

Air Pollution Control Division

Notice of a Proposed Project or Activity Warranting Public Comment

Website Title: NGL Water Solutions DJ LLC - C6 - Weld County

Notice Period Begins: November 19, 2014

Notice is hereby given that an application for a proposed project or activity has been submitted to the Colorado Air Pollution Control Division for the following source of air pollution:

Applicant: NGL Water Solutions DJ LLC
Facility: C6
Commercial O&G water and solids treatment facility
13159 Weld County Road 39, Platteville CO
Weld County

The proposed project or activity is as follows: Applicant proposes to construct a solids treatment facility

The Division has determined that this permitting action is subject to public comment per Colorado Regulation No. 3, Part B, Section III.C due to the following reason(s):

- the source is requesting a federally enforceable limit on the potential to emit in order to avoid other requirements

The Division has made a preliminary determination of approval of the application.

A copy of the application, the Division's analysis, and a draft of Construction Permit 09WE0900 have been filed with the Weld County Clerk's office. A copy of the draft permit and the Division's analysis are available on the Division's website at <https://www.colorado.gov/pacific/cdphe/air-permit-public-notice>

The Division hereby solicits submission of public comment from any interested person concerning the ability of the proposed project or activity to comply with the applicable standards and regulations of the Commission. The Division will receive and consider written public comments for thirty calendar days after the date of this Notice. Any such comment must be submitted in writing to the following addressee:
