

Air Pollution Control Division

Notice of a Proposed Project or Activity Warranting Public Comment

Website Title: Wiepking-Fullerton Energy, LLC - Aloha Mula Gas Plant, Kauai #2 - Lincoln County

Notice Period Begins: November 26, 2014

Notice is hereby given that an application for a proposed project or activity has been submitted to the Colorado Air Pollution Control Division for the following source of air pollution:

Applicant: Wiepking-Fullerton Energy, LLC

Facility: Aloha Mula Gas Plant, Kauai #2

Oil and gas natural gas processing plant and an oil and gas exploration and production facility.

SESW Section 19, T10S, R55W and SWNE Section 6, T10S, R55W

Lincoln County

The proposed project or activity is as follows: Addition of natural gas venting and flaring.

The Division has determined that this permitting action is subject to public comment per Colorado Regulation No. 3, Part B, Section III.C due to the following reason(s):

- the source is requesting a federally enforceable limit on the potential to emit in order to avoid other requirements

The Division has made a preliminary determination of approval of the application.

A copy of the application, the Division's analysis, and a draft of Construction Permit 14LI1168 have been filed with the Lincoln County Clerk's office. A copy of the draft permit and the Division's analysis are available on the Division's website at <https://www.colorado.gov/pacific/cdphe/air-permit-public-notice>

The Division hereby solicits submission of public comment from any interested person concerning the ability of the proposed project or activity to comply with the applicable standards and regulations of the Commission. The Division will receive and consider written public comments for thirty calendar days after the date of this Notice. Any such comment must be submitted in writing to the following addressee:
