## Notice Of A Proposed Renewal Title V Operating Permit Warranting Public Comment

Website Title: Metal Container Corporation - Windsor Can Plant - Weld County

Notice Period Begins: November 19, 2014

NOTICE is hereby given that an Operating Permit application to renew an Operating Permit has been submitted to the Colorado Air Pollution Control Division, 4300 Cherry Creek Drive South, Denver, Colorado 80246-1530, for the following source of air pollution:

Applicant: *Metal Container Corporation  
1201 Metal Container Court  
Windsor, CO 80550-3309*

Facility: *Windsor Can Plant  
1201 Metal Container Court  
Windsor, CO 80550-3309*

Metal Container Corporation has applied for a Renewal Operating Permit for the Windsor Can Plant in Weld County, CO. This facility manufactures the bodies of 2 piece-aluminum beverage cans. A copy of the application, including supplemental information, the Division's analysis, and a draft of the Renewal Operating Permit 96OPWE162 have been filed with the Weld County Clerk's office. A copy of the draft permit and the Division's analysis are available on the Division's website at <https://www.colorado.gov/pacific/cdphe/air-permit-public-notice>. Based on the information submitted by the applicant, the Division has prepared the draft renewal operating permit for approval. Any interested person may contact Joshua Jones of the Division at (303) 692-3207 to obtain additional information. Any interested person may submit written comments to the Division concerning 1) the sufficiency of the preliminary analysis, 2) whether the permit application should be approved or denied, 3) the ability of the proposed activity to comply with applicable requirements, 4) the air quality impacts of, alternatives to, and control technology required on the source or modification, and 5) any other appropriate air quality considerations. Any interested person may submit a written request to the Division for a public comment hearing before the Colorado Air Quality Control Commission (*Commission*) to receive comments regarding the concerns listed above as well as the sufficiency of the preliminary analysis and whether the Division should approve or deny the permit application. If requested, the hearing will be held before the Commission within 60 days of its receipt of the request for a hearing unless a longer time period is agreed upon by the Division and the applicant. The hearing request must: 1) identify the individual or group requesting the hearing, 2) state his or her address and phone number, and 3) state the reason(s) for the request, the manner in which the person is affected by the proceedings, and an explanation of why the person's interests are not already adequately represented. The Division will receive and consider the written public comments and requests for any hearing for thirty calendar days after the date of this Notice.
